1 Yankee Blue has eight wins in Boden and has scored all victories this year on this track. He has earlier come back well after a layoff and is our pick. 8 Henessi Walk came back very well after a mistake on Gävle in April last year and is good enough to win this. He won the last qualifier without being empty and should be considered. 7 Humble Stance is strong and Jenny Engfors knows the horse well. Without a mistake they will be in the mix. 6 Durello was not at his best in the last run but got a tricky journey too. Outsider.

7 Notice'em scored a good win three starts back without being empty. She has good speed for this class and if she avoids a mistake she has a good chance. 6 Donna As likes this starting method and without an error she will be in the mix. She won over the short distance two starts back but has also won over the middle distance. 4 Club Nord Pro is not very speedy but has shown good form and in case of quick pace he could use his strength. Should not be overlooked. 12 Inferno Sisu made his debut for this trainer in the last run and put in a good effort.

1 Muscle Man Boko was a non-starter at the end of September but has come back well. He had energy left seventh up before the second spot in the last run after a good effort. **2 Laurentius Valiant** won easily at the end in the last run. The horse has won three times in Boden this year and all victories this season were scored together with Robin Björk. **12 Djang Limit** is a bit up and down but has very good capacity and when he is at his best he is really good. Contender. **8 Party Brodda** likes this starting method and should not be overlooked.
