2 Petit Piton Boko won from the lead in the last race and has an excellent lane here. Good chance again and a possible banker. **9 I'm The Lady** has only one win in 16 starts. Galloped in the last race but had shown good form before. Now driven by Axel Jacobsen. Early challenger. **10 Kozmo Von Hyrdehöj** was second from the pocket on Christmas Eve and seems in good form. Tight starts and different draw this time. **5 Luna Sotto** has started quite well and from a good lane she can at least be a contender for a place bet.

1 Life Shadow is finally well drawn and our our pick here. Took two straight wins in October and can score another victory here. **3 Langelaender** has been very consistent and good at the end without winning. Has a nice lane and probably goes for the lead. Early choice from there. **5 Kijev** is often heavily backed and has two wins and three second places in eight starts this year. Good draw and has to be considered in a fairly open race. **8 Keep Z Hyrdehöj** has a difficult lane but is not that bad. Won two starts back and finished fifth despite a gallop in the last race. Outsider.

11 Henrik Will faces very nice conditions money-wise in this amateur race. Has won five of 13 races this year and is really good for this company. Could be a banker. **7 Giantstone** faced some tough horses in the V85 at Åby last time. He took two wins in a row before that and is now driven by Bjarke Haagensen. He is an early challenger. **3 Kronprinsen** has raced in Sweden recently and will face easier opposition this time. Could possibly make it to the front here. **13 Farinelli Hastrup** is consistent and has earned quite good money this year. He faces nice conditions and hopes for quick pace from here.

2 Giggler has won five races in 14 starts this year and got an excellent starting position here. Was perhaps not at his best a week ago but chases revenge here. Our winner. **6 Leicester** is a better than the latest results show and in this field he should be considered very early. A bit tricky number though. **4 Knoxton Cash** is not entirely reliable but has quite good speed for this company. Early choice if he lives up to his capacity **7 Isak Laser** won at today's track two starts back and should not be overlooked here either with the right journey.

4 Kaboom should have top chance to win here. He is coming off an easy win in the lead and will certainly try to take the lead again here. Banker. **5 Jada** was second behind Kaboom in the last race and is chasing a similar result here. Good lane but will probably find it hard to pass our winner from the start. **6 Karma Shadow** was third behind Kaboom and Jada in the last race and is chasing a similar result here. Is very consistent and good. Good place chance. **10 Global Feather** has earned the most money this year and could cause an upset despite this poor starting position.

1 Borups Atlas faces tough conditions money-wise in this race but should have a good chance anyway. He has won seven of 15 races this year and will probably get a good trip from here. **5 Hurricane Photo** has done quite well this year. Is fast from the start and should reach a good position, maybe the one behind our favorite. **3 Staro Next Move** has finally found a good draw and can open fast well. Early choice behind our winner. **9 America Dream** has been consistent and good at the end without winning. Poor lane but could be a contender for a place bet.
