4 Champstile is very promising and has been heavily backed so far. Won directly after a pause in the last race and looked really nice. Hard to beat again. 7 Squanto is in good shape and looked nice before he galloped in a tricky situation. Owns good strength. 2 Double Choice has two straight wins and Frode Hamre's horse is in great shape. Early challenger if the favorite would fail. 3 Mc Burney scored a sensational win two starts back after taking the lead in the final turn. Finished well in the last race. Good form.

5 Kaatje is an interesting horse who has run one race in Norway. Won directly then despite a mistake. Good chance with a similar effort. Our winner. 12 Oscar Tile makes his comeback after a long pause. Has not convinced lately but the trainer is pleased with his horse. Can do it tough and should be considered. 6 Mount Everest has two runs under his belt after a long break. Is certainly on the way up and an outsider here with some racing luck. Possible. 11 Shocking Line has been consistent and good lately and finished alright in the last race. Is in good form.

5 Urra' Del Rio got interfered in the final turn in the last race and we forget that run. Had done well before that and faces quite easy opponents here. 6 Nocturne E. has scored three places in a row and been consistent and good without winning. Could win here instead with the right journey. 3 St. Maxime Decoy has shown good form lately and is on the way up. Was really brave in the last race. 8 Cool Runnings has not raced for a long while but faces quite easy opponents here. Has met tougher horses in Sweden. Possible.

10 King di Jesolo got the position behind the leader in the last race but gave up in the final turn. Can do better and has got a break now. Warning. 6 Djarpur Dry came back strongly after a mistake in the last race. Can do it tough and should be considered early here regardless the journey. 5 Keystone Cash attacked early in the last race but was clearly defeated. Scored a strong second spot before that. Can open quite fast. 9 My Cool Mama came back really well after a mistake in the last run. Has not won for a very long time but she can finish fast.
