5 Kadu Moseby is coming off a good win and beat several of today's opponents. Has a nice lane and should have a good chance again here. **9 Go On S** was second behind our pick in the last race. Got locked in a bit too long then but finished fast. Looking for revenge but is poorly drawn. **4 Justwalkonby** is quite consistent and good but has not won for a while and returns from a layoff. **3 Kombucha** earned the most money last year but he has not raced for a while either.
