5 Griffin Kronos started his career strongly last year, placing in six out of eight starts. This is his seasonal debut and his form is unlikely to be at its peak right away, but in this field he stands out in terms of capacity and should have a good chance. **8 Monir Southwind** has been convincing lately and put in several nice performances. Fine form and extra interesting without shoes. **1 Elias K.J.** showed high capacity with two wins in a row. Can lead this for a long time. **6 Good Habit** has good capacity but needs a defensive journey.

5 Bork Grandi has proven to be strong, fast and also reliable, which is important for a cold-blood horse. She should handle this lane and a new record is likely to be within reach for the capable four-year-old. **6 Stjärne Jerva** has really found top form and put in two really strong performances at the end. **3 Nordlilja** is far from reliable. If she is at her best and avoids a mistake she could win this. **4 Bäcklös Maja** is really fast and should be considered early with the right trip from behind.

8 Monkey Wine got a defensive trip in her Swedish debut but looked nice. She finished 11/700 meter and her form should be improved significantly. **3 PolePosition** is good for this type of race. The seven-year-old is returning after a heavy winter training but uses to do well straight after a longer layoff. **1 Ajlexes Hans** got defeated after a fast finish in the last race. Quick starter and good chance to hold the lead. **5 Timeless Sunset** did not convince last time but is certainly improved and comes from a stable in fine form.

2 Discovery W.F. competed without shoes last time. The five-year-old looked really strong and would have been in the fight for victory if it hadn't been for a gallop. Should be improved by that run under his belt. **1 Canella** has shown great capacity for this class but is a bit up and down every now and then. **12 Candy Celebration** is good for this class and will pass many opponents. **3 Flashing Light** has a 2-0 lead head-to-head towards our pick.

11 Palmesus N.O. has taken another step during the winter for Jan Olov Persson. In this year's three starts the five-year-old has done really well. Good chance despite this number. Banker. **3 Ellbert** kept up the pace well as third behind Remlov and Palmesus N.O. two starts back. Face nice conditions and could be in the mix again. **5 Hulte Sixten** is capable enough to be in the fight for victory if his form is good after a couple of runs under his belt. **1 Teknologen** is good every now and then, but is not reliable and has 0/8 after a layoff.

7 Olli Boko put in a nice effort in the seasonal debut and won in a nice way finishing 10/800 meter. Should be better now and has a good chance to win this. **5 Beautiful James** is predicted to have a bright five-year-old season. Might need this race, but owns high capacity and is better drawn than our pick. Challenger. **10 Tabdone** is a nice and speedy American horse. Sprints fast if the pace gets high. **1 Önas Tindra** is better than ever and has been improved without shoes.
