## RANK

**8 Under Armour** finished last year with two wins in a row. This is his seasonal debut, but despite that and a difficult starting position, this task looks quite nice. **6 Epicure D.E.** has taken five of his eight wins from the lead and if he gets there his chances will increase. **7 America Dream** scored a good win two starts back and with a similar effort now, he will be in the mix. **10 Höwings Zeus** showed top form in the last race but needs some racing luck from this lane.

## RANK

**5 Remy Lane** never got a real chance in the last V85 last race, but continues to show fine form and in this type of race he is normally an early pick. **11 Diego Face** is possibly the best horse in this field and with the right trip, he could definitely win this race. **3 Douglasdecastella** is coming off an easy win and from a good starting position he could score a new victory. **9 Moni Lane** has shown quite good speed towards the end and if the pace is high in the lead he will pass many opponents at the end.

## RANK

**7 Stens Rebell** had a strong seasonal debut - and with that run his form has probably improved a lot. Should have a good chance to win. **11 Gibraltar** owns great speed but is not reliable. Will challenge if he avoids a mistake. **6 Stan Wawrinka** is back after a pause, but if he is at his best, he is good enough to be in the mix. **8 Muscle Rex** has good capacity, but he needs some racing luck from this starting position to be in the mix.

## RANK

**10 Fontasia Schermer** did not convince in the last V85 race at Bjerke. The filly was superior in the seasonal debut before that and should have a good chance of winning despite this number. **1 Ras El Hanout** managed to hold the lead in the last race and if he can do it again he is the horse to beat. **2 Son Of My Father** has won three of six starts this year but is not entirely reliable. In the mix without a mistake. **9 Juicy** has two runs under his belt after a long layoff and is starting to get closer to top form.
