RANK

2 Venture Capital has won 16 of 25 races but he has not competed a lot lately. Won from the lead in the last race and has a good position here. **5 Ringo Adore** is also a quick starter and likes to run in the lead. Had energy left in the last V75 race and is in good form. Challenger. **10 Fusion Eagra** is worth a warning. The horse has competed a lot in the V75 and faces easier horses this time. Hopes for quick pace. **11 Appasso** has a tricky number too. Åke Lindblom's horse is consistent and good and should not be overlooked with the right journey.

6 Bollinger N.O. is our pick here. The horse is making his debut for Björn Goop and probably well prepared. Can open fast and we think he gets an offensive start. **12 Excellent Diamond** is good for this class but needs a bit of luck from this lane. Wins often and has got a run under his belt after a very long layoff. **10 Kong Amok** comes from a win in a lunch race at this very track. Had shown good form in Norway before. New driver. **11 Hidden Dragon** is a stable companion to our pick. Has earned the most money this year and hopes for quick pace. Outsider.

RANK

12 Mr Weasley is our winner in a weak race. He wins quite often and is in good form. Driver Märt Pello has brilliant statistics in recent seasons! **8 Nolby Palema** may not be a superstar but has done quite well and is now driven by Carl Philip Lindblom. **9 Re Public** is probably one of the best horses but has not trotted very well of late. Has won two of four races this year. **2 Georg S.H.** scored a good win in the last race and is one of many contenders behind our favorite.

7 Pearl Kayz is our pick after a short layoff, despite this number. The horse won six of eleven races last year and has competed a lot in the V75 lately. He faces easier races now. **6 Norris** is a good challenger. He has already four wins this year and he has earned the most money. Gets an offensive journey? **3 Malkia** had a good season last year but is still without a victory this season. Was unlucky last time and is in better form than the results show. Can open fast. **10 M.T.Tomorrow's Hope** is clearly better than the latest results show. Comes from a couple of V75 races and the opposition is not as tough now.
