## RACE 1, V4-1

2 Power Lane has not raced for a while but is by far the best horse in this field and should normally have a good chance to win this. 3 Nice and Quick has also got a break but not as long as our pick. Is fast and the main challenger here. 1 Iyan Stardust comes from an outstanding victory and is good for this class too. Possible but this number could be a bit tricky. 5 Dooley's U.N.G. is up and down and not reliable either. Outsider.

14 Vaiana Venit has galloped a lot and is not reliable. If she avoids a mistake she should have a good chance here despite this tricky number. 6 Speedy Cash Vicane made an early mistake in the last race but came back well and showed good speed. He is an early choice without a mistake. 8 Country Sound makes his debut for new trainer Christoffer Eriksson. Tricky number but should be considered anyway over the long distance.
Interesting here. 4 King's League has not raced for a while and the chances are not easy to predict. Early choice anyway.

## RACE 3, V4-3

3 Lovely O.O. does not win very often but she uses to meet tough opponents too. Is strong and should normally have a good chance here. 12 Arturo Beech is strong and can do it tough too. Despite this poor number he should be considered early. 4 Keely Queen Er has not won for a while and is still waiting for the first victory for trainer Crebas. It could come here. 5 Claw is not bad and can open fast too. Possible if he would find the lead but early contender regardless the journey.

10 Appaloosa is the best horse in this field and should have top chance if she is at her best. She has not raced for a while though and the chances are not easy to predict. 6 Majors Corona won in the lead in the last race and did well. Will go for the front again here. Contender. 9 Bacchus L.I. has not won for a while but has good speed. Back row draw but with some racing luck he is possible here. 8 Global Viscount wins often and has eight victories in 31 starts. Tricky number but early choice anyway.
