**7 Baron Gift** has a very nice task in this weak race. He has earned by far the most money and should have a good chance of beating this opposition. Banker. **5 Zimmer Grif** does not win very often but did quite well last year and with the right trip he can at least be a contender for a place bet. **6 Demon Onthe Hill** has not scored a place for a while but faces good conditions in this mediocre race and is possible behind the favorite. **2 Cartesio** earned the most money last year but his form is a bit of a question mark now. Good draw and should be followed behind the favorite.

**5 Lekker** has started really well and taken four wins in ten starts. Was improved again as second in the last race after a couple of gallops. Has a better draw than his main rival. **11 Lannem Sokken** has three wins in a row and should be considered very early here. A bit tricky number but will probably get an offensive trip. **6 Amir L.R.** has been improved this year and won two of the last three races. He is an early choice behind our top duo. **7 Teknovinn S.K.** took his first win in the 19th race last time. Had been quite consistent and good before then and should not be overlooked here either.

Has galloped towards the end but if he avoids a mistake he is an early choice. **5 Stolt Elmar** has been consistent and good this year without winning. Was very good as second at Årjäng in July. Should be considered behind the favorite. **1 Schufaks** is the best in the first circle and should get a nice trip from this lane. Could cause a surprise.

**3 Whoopie Pie** has done well lately in Sweden and will face easier opposition here. Is well drawn and should have a good chance to win. **4 Jackpot Sisu** comes with a couple of poor results but is basically a very good horse for this company. Qualified in the last race and could challenge if he is at his best. **7 S.K.'s Perfect Pride** has won two cheaper races this year. Didn't get a real chance last time and is possible behind our pick. **9 Olympia Newport** is a little better than the latest results show. Had energy left after finishing fourth two starts back and could surprise without a mistake.

**10 Tasty Tile** has won three of ten races this year. Took the lead with 1200 metres to go in the penultimate race and won comfortably. Galloped on the way to a place in the last race. Chases revenge here. **3 Mironn** has a better lane than our pick. Took three consecutive third places in June and July and is an early choice behind the favorite. **11 Haley James** earned the most money last year. Hasn't been as convincing this year but has the capacity to be in the mix. **7 Datin M.** faces the best conditions money-wise and is a nice outsider. However, she is coming back after a very long layoff and could need this race.
