3 Sanoroc News makes his debut for Troels Andersen, which is very interesting. The horse has been matched over much tougher conditions than these. Troels Andersen usually has his horses in good shape after a layoff and the horse should have top chance. **10 Tom's Got Drive** is good for this company. Has not convinced lately. **11 Ajlexes OyeComo Va** has shown good form and will pass many opponents here. Needs some racing luck though. **1 Legal Eagle Sisu** makes his second start for a new trainer. Certainly reaches a good position.

Doesn't win very often and this lane is really poor. **1 Mare Mareh** will probably get a slow start from here but has good skills. **4 Nice View C.G.** is a bit up and down, but has good speed for this class.
