1 Victor Flax is really good for this class, but not reliable either. Can open fast and without a mistake he should of course have top chance. However, there are some question marks. **11 Leopard Rock** makes an interesting debut for the Untersteiner stable. Tricky lane, but the horse has shown high capacity before. Might need this race, but could sprint to victory. **12 Mr Boenasera** is disadvantaged by this starting position. **5 Metarie** has shown top form lately.
