8 Izma H. finished 12/800 in the last run and was improved. With a similar effort the horse has top chance despite this number eight. 9 Support Young was unlucky on the far final stretch in the last run. Finished alright and this number is not bad at all. 6 Precious Bonanza was better than ever in the last run. Should not be overlooked this time. 4 Black River Winni could be in the mix here with the right defensive journey.

Four out of five wins so far were scored over the short distance. 2 The Baron won easily in the lead against easier opponents in the last run. 2 Keystone Cash has been on the way up lately and with this nice number he is our pick in this short distance race. 1 Cartesio starts for the third time for Morten A. Pedersen. The horse has shown good speed for this class. Finished well to fourth two starts back. 9 Hush galloped directly in the last start. Was outstanding in the race before. Possible but needs some racing luck with this number in the second line. 4 Herman is in good shape and can open fast. He is possible here too but faces tougher opponents now.

2 Park View has only one victory this season but the horse has met tough opponents in Sweden. Is well drawn and he finished 11/700 to a third spot in the last run. Our pick. 6 Z. Boko is gifted. He is sometimes a bit fiery but this short distance suits the horse well. 3 Hulken Sisu was not at his best in the last run and is a bit up and down. Challenger if he lives up to his capacity. 7 Zaffiro Jet gave away the lead in the last run and won easily when he found room. Outsider with the right journey.
