RACE 1, V4-1

Auto 2140

1 **Fläsk Ken** has five straight wins and done really well. Nice number here and will be hard to beat again. 2 **So Far Away Ås** scored a good victory three starts back. Was not as good in the race after but in the last run he finished well a bit behind the winner. 4 **Geronimo Am** is very interesting in this start for the new trainer. Could be the best horse in this field and should be considered. 7 **Zidane D.E.** is good enough to be in the mix here. Has not raced for a while though and the chances are not easy to predict. Outsider.

4 **Duke Ratzeputz** is gifted but has not raced for a while. Makes his debut for a new trainer and is our pick in this open and mediocre race. 7 **les General** has not competed for a while either. Has met tougher opponents than these and belongs to a stable in good shape. 1 **Vincenzo** beat easy opponents in the last run. Was good and is ideally drawn here. Top driver and should be followed. 3 **Bellaforza** has shown quite good skills even if she has not won yet so far. Possible behind our top trio.

5 Parker is the best horse in this field. He is a good V75-horse when he lives up to his capacity. Has not raced for a while and might need this one. **6 Ready Doc** is consistent and good. He will fight for victory here but needs some racing luck. **8 Joe Frazier Boko** was a bit slow in the last run after a quick finish. Should be improved by that race and has to be considered early. **11 Again Kronos** is in very good shape. In the last run he had lots of energy left. He will soon score a victory.

RACE 4, V4-4

4 Ceboruco is the best horse in this race. Was brave in the last run after a tough journey. Can open fast and should have top chance to win this. Banker. **2 Galliano Brick** has not won yet after 24 attempts. He has good speed though and which he showed in the last run after a mistake. **1 Kalas** is a lot better than the latest results show and has got a nice number. Uses to meet tough horses and should not be overlooked. **8 Vanessa Face** is in great shape but this number is very poor. Is a quick starter and could be in the mix here.
