

RACE 1, V4-1

Auto 2140

2 Kipling River set a new record over the short distance in the last run. This middle distance is an advantage since he seems a bit slow. Our pick. 10 Global Braveheart started with three straight wins last autumn/winter. Started once this summer resumes from a spell again here. 7 Bank's Illusion is quite fast for this class. Was a non-starter a couple of weeks ago and the form is a question mark. Has to be followed. 5 Sagittarius had to qualify after three disqualifications in a row. Without a mistake he is fast enough to be in the mix.

6 L.Q.Rille was not at his best in the last run and after that he has got a new trainer. That is always interesting and the horse has good speed. 4 Trollbackens Otur has been consistent and good. Set a new record over the short distance in the last run. 1640 meter again and early pick. 1 Farmens Riska is the only three-year-old horse in this race. She kept up the pace alright in the last run and has finally got a nice number here. 2 Kökkien was second in the lead on August 16. Could reach the front here as well. Outsider in that case.

6 Haxo d'Avignere does not trot perfectly but is really strong. Won over 2140 meter in July and should have a good chance to win again. 1 Volcano starts for the first time in Sweden. Did not trot well in the last run and was taken out of the race with 900 meter to go. Won three starts back and found the lead then despite number eight. 15 Alberto Ray attacked with 900 meter to go in the last run and has been consistent and good. Will defeat many opponents here. 10 Bottnas Hope met too good opponents in the last V75 race. Scored a nice victory in the lead before that.

10 Fenix Brick resumes from a five months break in the last run and won easily in the lead. Put in a couple of good efforts with shoes last winter. Our pick. 6 Conch on Inn comes from two good performances in November. Galloped in the last turn in the last run but finished well on the home stretch. Challenger. 1 Will I Am was not at his best in the last run but scored a good second spot before that. Nice number. In the mix. 9 Enge Eros has the right attitude and quick pace would suit him a lot.
