C1 - PRIX BMW EDENAUTO PREMIUM AGEN - 2575m (a1 9/16m) - Class - Harness - EUR € 6.000

1. **FOU DE ROCK** - Disqualified in two of his last four appearances but from gate 1, he has a lot in his favor and should go well. Winning chance
2. **GE DU MANOIR** - Finished 6th last time out with an awkward 25m handicap to deal with but looks to be ideally placed here from a two draw. Massive runner
3. **FARMER DU MOULINET** - Last three efforts have been poor and this runner needs to find some form. Races with no shoes in this event
4. **FANTASIA RIVER** - Finished 3rd in her last two appearances and could be a lurker for the placings but more needed to win. Others preferred
5. **ENVOL THE BEST** - Has been starting off 25m handicaps in his last two and now gets a front row draw which will help but more is needed. Others preferred
6. **FAN DE STAR** - Not the most consistent around but very capable and should be able to make his presence felt now reverting to an old shoeing combination. Include in all bets
7. **FIDJI SHORE** - Tries a new shoeing combination for this run which could see vast improvement from this contestant and she warrants respect. Place chance
8. **FABULOUS DANCER** - Won a nice race two starts back but failed to reproduce that effort again and isn't the most genuine type. Easy to pass by
9. **GOLD DE CHOISEL** - Last start winner over 3000m in this discipline but will need a lot of luck in running in order to follow up. Place chance
10. **FANNY DU PLATEAU** - Bounced back to form last time out with a pleasing 2nd place finish and could produce similar. Place claims
11. **GUINNESS DU VALLON** - Not in the best shape at present and will need to do more to keep supporters interested. Would be a surprise winner
12. **FEELING MESLOIS** - In poor form at present and isn't helped by a second row draw so does require a lot more to get into it. Would be a surprise winner
13. **GRAAL DE TILLARD** - Seems to be doing the basics a lot better now but won't find it easy from a second row draw. Top four chance at best
14. **GAPACHE DE HOUELLE** - Has an uncomfortable second row to deal with which already puts her on the backfoot despite some fair form. Will need a lot of luck

Summary : GE DU MANOIR (2) has a lot going for him this time out and could take full advantage of a front row draw. FAN DE STAR (6) looks to be a solid chance in this event and if things go his way from the start, he'll be dangerous. FOU DE ROCK (1) just needs to do the basics right and he will go well. FIDJI SHORE (7) looks to be a chance to get into a minor spot.

- 12. FAVARY** - Faces an uncomfortable 25m handicap and will need to step away cleanly in order to have any chance. Others preferred
- 13. FORREST D'EM** - This runner has a 25m handicap to deal with which could likely put pay to his chances as he will need a lot of luck. Others preferred

HIRO DE L'ORMERIE (11) let the side down last time out but is more than capable of bouncing back. IZA DU VIVIER (1) looks to be a solid place chance. 9. **HELLU DANAPIERRE** - Has shown form in mounted races off late but back into this discipline, more is needed to get a mention. Others preferred
10. **GUINNESS GRIFF** - Form figures don't jump off the page and it is hard to envisage this runner getting involved. Would be a surprise winner
11. **HELECTRA RACE** - Bang in form contender that has won three times from her last six starts and is on the up. Should go close
12. **FANFARO BELLO** - Bounced back to winning ways at big odds last time out and could be worth an inclusion with his confidence up. Each way shout
