Summary: RADIANT (3) produced a good fourth-place finish on debut at Deauville. That looks a stronger field than what her rivals faced, and she sets the standard for this race. BAKI CHOPE (2) found only one too good on her debut at Moulins and should be competitive again. DONNALUCATA (4) was not disgraced on debut and is likely to improve—she rates a danger this time around. LE BON DOCTEUR (9) is bred to sprint and deserves respect, especially if the market vibes are positive.

Summary: JUST JIM (2) was a good winner of his first two starts. His comeback run was only modest, but he will strip fitter this time and can bounce back to score. THE TOP GATSBY (3) also looked in need of her only run this year. She had been very good on the PSF prior to that, but has also won some nice races on the grass and would not be a surprise winner. ALWAYS WELCOME (1) is better than his last run suggests and is a danger. RAIMONDIN (4) is coming off two very good wins on the PSF and can complete the hat-trick if fit from a break.

There was not much between CORALIA (11) and SO GATSBY (6) when they met on debut at Argentan. Both are open to significant improvement and deserve respect.
