**3. GAME OF STORM** - He has improved with each run and arrives for this after a good win. Tries chasing now but can follow up in this small field

**4. ANNE DE BEAUJEU** - Not disgraced when fifth on debut. Capable of improvement on steeplechase debut but others are preferred

**5. DUNE VERTE** - She has shown improvement in each start. Fair fourth last time out. This looks a harder task now trying a steeplechase

**6. LES LOYAUTES** - Has struggled at Auteuil so perhaps the best run to judge him was on his win at Compiegne in a hurdle race. Has a winning chance

**Summary :** GAME OF STORM (3) is improving and won well last time out. this is his chasing debut but clearly, he is the one to beat in this small field. It is hard to make out what LES LOYAUTES (6) is all about. He won well at Compiegne in a hurdle race but struggled in three starts at Auteuil. He can bounce back. DSCHINGIS STORM (1) was not disgraced on hurdle debut and could have more to offer. PAPILLON CYAN (2) is improving slowly but could do better this time.
