C1 - PRIX BLEU LIBELLULE - 1100m (a5 1/2f) - TURF - Handicap - Class 3 - Flat - EUR € 20.000

1. HURRICANE - Lightly raced sort that has done very nicely in his career so far, now drops right down in trip after two disappointing runs of late. If the trip suits, he can get involved

2. INSTRUIT - Winner over track and trip in his last run after a very indifferent performance in his penultimate start. Clearly loves the trip and has leading claims

3. ISMAEL PAINT - No wins from his 7 runs this year but seems to be getting closer to breaking the ice in 2023. Faced group 3 company three starts back and if reproducing that level of form here, he could get involved. Don't ignore

4. VISIR IZNOGUD - Last win came way back in 2021, not in the best shape currently. Hard to recommend

5. SPAIN SAGE - Only win to date has come over a lot further so would be a surprise if she were to challenge the principle contenders. Place chance at best

6. MARVELOUS CAPRICE - Not too far off in the two starts this year however will need to step up in order to challenge. Others preferred

7. ROSA PARKS - Ran 4th last time out behind Instruit, could get closer. In steady form as well so one to follow. Include

8. SVOUL - Fairly consistent sort that last tasted success in August of 2022 over 5f. Based on recent efforts, another honest run can be expected. Include

9. PETITE COQUINE - Not in the best form of late so will be a surprise to see her being competitive. Well held on last by a couple that re-oppose here. Others more persuasive

10. GRILO - Winless from 14 starts to date, drops in trip after racing over much further. Huge improvement required

Summary : INSTRUIT (2) bounced back to winning ways last time out and this doesn't look to be an overly strong race, he should have every opportunity to win again and continue his good form over the trip. ISMAEL PAINT (3) recent efforts suggests that he could be nearing some of his better form and with it not being a hot race, he could definitely get involved. HURRICANE (1) has already notched up 3 wins in his short career so far although it has been over further so dropping in trip could prove to be a negative but he has the class to pull him through. SVOUL (8) never too far off the action and another consistent performance should be on the cards.

C2 - PRIX RAYMOND GUILHEM - 1400m (a7f) - TURF - Claiming - Flat - EUR € 15.000

1. MA GRISE - Very positive performance in class 2 company last run and on the back of that must be a contender with the step up in trip looking like something that will play into her hands. Big runner

2. MENAMARA - Filly that steps up to 1400m and on what we've seen from her, could be another one to get into the mix. Include

3. FAVORY CHOP - Two solid runs to date and a big effort is in on the cards. Strong chance

4. JOHN STEED - The step up in trip last seemed to make no difference to her form and more is required. Hard to recommend

5. FOU FURIEUX - She was far from disgraced on debut over at Angers and she could have more to offer. Include

6. YANA CHOPE - Her best run has come at this course three runs back albeit over shorter. She will need to improve on her form to get into it. Place chance at best

7. KALINOVKA - Filly that hails from a top yard and will be in prime condition to deliver a huge performance after a slight blip last time out. Judged on her first two starts she is one of the leading players. Go close

8. CORRECTIONNELLE - Finished last of six on debut, well held and needs to find a bit on that run. More needed

9. EAGLE MOUNT - 9th of ten on debut and well held by her rivals, significant improvement is required to see her finish closer. Hard to recommend

10. AURORE BOREALE - Two moderate efforts to date and based on those runs she will need to pick up her feet to get into the money. Others preferred

11. LA PORTUGAISE - Showed very little on debut to suggest she could improve to run a better race. Others more persuasive

Summary : A race where there are quite a few hopes, it could be a form line to follow in time to come. KALINOVKA (7) was a bit disappointing in her last run but her first two efforts are something that we can take confidence from so a big run can be expected now that she goes over 1400m. MA GRISE (1) is coming along the right way and getting better with racing experience, she was close up in her last and a reproduction of recent runs would see her fight it out. FAVORY CHOP (3) has put in two good performances and with natural improvement she could contest the finish. MENAMARA (2) got the better of the top selection last time out and even though the form is likely to be reversed she isn't one to discount.

SELECTIONS

KALINOVKA (7) - MA GRISE (1) - FAVORY CHOP (3) - MENAMARA (2)

3. BORNDLERS - Nice 2nd over 3300m at Vichy on the most recent run on May 28th. Needs more to feature

4. SHAMALRA - Nice winner over 3300m at Strasbourg on May 31st when last racing. Key chance

5. SIERRO DINO - Good 2nd over 3400m on the only run so far on May 22nd. Can win under Johnny Charron

6. YANAMAN - Has had a few runs on the flat, unplaced on the last run over 2000m in a claimer. Best watched on hurdle debut

7. NICARYA - Newcomer by Nicaron, the dam was unplaced. Market best watched for expected performance

8. THERESIA - Unraced filly by Doctor Dino, the dam was a winner. Might be better for this outing, any market support should be noted

9. QUICK PAMELLA - Newcomer by Pomellato, the dam was unplaced. From a good stable, nice run expected on debut, the market best guide for clues

Summary : SIERRO DINO (5) was a good second on debut at La Teste- Basin Arcachon last month and can improve from that enough to win. SHAMALRA (4) could pose the biggest rival after winning at Strasbourg over 3300m on his second attempt. WITH THE STARS (1) beat SIERRO DINO (5) when they last met and is on 3kg worse terms today, but he likes jumping hurdles and can not be ruled out. KESACO BERE (2) can not be discounted after a recent second-placed effort at Chateaubriant.

C4 - PRIX UNIKALO - 2000m (a1 1/4m) - TURF - Condition Race - Maiden - Flat - EUR € 21.000

1. DANCE AHEAD - Two runs in France and his first start was a good run but followed that up with a disappointing effort finishing downfield. More needed

2. FASHION BARNES - Remains a maiden from nine career starts but showed signs of life again when running 2nd over 1600m at this course. Place chance

3. MESTREYF - Offers very little to work with on debut performance. Hard to recommend

4. BASELITZ - Very good effort last time out when close up behind the winner, slight drop in trip but could finally have his time in spotlight. One to beat

5. ROMARIN - Well held on debut run and will need to improve stepping up in trip. Improvement needed

6. STAR PLATINUM - Comfortably held in his last two and with a lack of form to work with, he looks to be an obvious second selection to the top one with maybe a bit of improvement still to come. Include

7. O'CARBALLO - Newcomer out of a group 2 winning mare that had success over in the UK over much shorter. Follow the market

Summary : BASELITZ(4) ran a blinder last time out and with this field looking shallow he should be able to take this opportunity and pass the finishing line first. STAR PLATINUM (6) looks to be best of the rest and could improve on recent runs to follow the top selection home. FASHION BARNES (2) put in a better effort in his last run and if he confirms that should run into the placings. O'CARBALLO (7) is a first timer that we need to follow the markets for clues.

C5 - PRIX FOX TEN LOGISTIQUE - 2000m (a1 1/4m) - TURF - Condition Race - Maiden - Flat - EUR € 21.000

1. THERE IS NO NO - Runner up in her two previous efforts and could be rewarded for consistency. Go close

2. STEPHENIE'S SAGA - Two runs in France and nothing to suggest she could get involved. More needed

3. TAHITI - Not beaten to far last time out when finishing 3rd and penultimate start was beaten by the second choice so does have to find a bit in order to turn that form around. Don't ignore

4. ALLEE DES DAMES - 5th on debut run but could come on with natural progression but has a bit to find on the principle runners. Can improve

5. ANGEL CHARLY - Finished 3rd last time out over 1900m. Slight jump in trip could see her getting into the action. Place Chance

6. OUR TOWN - Form of her last start has been franked with the runner up winning next time out so that bodes well for her chances in this event. Trip looks ideal and she is one of the leading players

7. KENMYRA - First-timer that could get involved. Dam won twice over 1600m. Watch the market

8. THE TOP GATSBY - Newcomer that could need the experience. Keep an eye on the market

Summary : OUR TOWN (6) last run was boosted with a winner coming from it already, comes from a top yard and should make a bold bid. THERE IS NO NO (1) has been the bridesmaid in her last two runs and could get her head in front in this event. TAHITI (3) hasn't been disgraced to date, there could be more to come from this filly but she may have to settle for a place behind the top two. KENMYRA (7) is a newcomer that if attracting betting support could be one to follow.

1. JOCKER DE LA BRUNIE AA - Much improved last run when third but remains a maiden after four starts and has a tough task in this line-up

2. WONDER CHOP AA - A bit of a disappointment when only fourth last time out. Distance suited and should be right there at the finish

3. SHEKIR AA - Disappointing form since only win which was July 2022. Needs to do a bit more to win this race

4. FRAN DU PECOS AA - On the up and is coming off two solid wins. This is a tougher ask but she is in with a shot

5. J'O BELLO AA - Always gives of his best and is distance. Will probably contest the finish once again

6. ELECTRIK JIM AA - Clearly unreliable but his two wins this year shows he does have ability. Good last win and can follow up

7. FLEMMING DU PECOS AA - Improving and he just got his first win on the board. This looks a tougher ask but is not out of it

8. JONNIMI AA - A bit of a disappointment when sixth at Bordeaux-Le-Bouscat over this distance last month. Might place

9. TANOS LA BARDE AA - Did not show much when ninth on debut and will need to do a lot more to win this race

11. FURIEUSE AA - Only the one win to show for herself but always gives of her best and she can contest the finish yet again

Summary : A competitive-looking race. ELECTRIK JIM AA (6) does not always show his best but if he does show it here he will be the one to beat. WONDER CHOP AA (2) fluffed his lines last time out but should contest the finish. CROUZCA AA (10) was better in 2022 but clearly is in with a winning shot. FOLK DU PECOS AA (1) looks like the likely main danger, he was a solid third at Auteuil two starts ago and is due another success. MAGIC DE LA RUE AA (3) was badly in need of a run when last racing in late April, and can make the frame. GUNS'NROSES AA (4) can not be overlooked, he is fragile as he has been lightly raced since December 2020, but was a good second over fences last month and warrants respect.
