He goes over a suitable trip and will make his presence felt in a big way. GRECIAN COMET (7) wasn't seen to best effect last time out and if she reproduces her previous form, she will be a leading contender. DEFULLY (4) showed up very well prior to her latest outing and should run a big race here. ELVIRIA (1) has improved in her two efforts in France and could well have more to offer.

9. **DESTROYING ANGEL** - Dam won four times over 1400m - 1800m which included one win in Germany at Listed level. Trainer is operating at an 18% win strike rate
10. **HABAR** - Dam won once over 1800m but this filly could just need one run to tighten up. Trainer is operating at a 13% win strike rate this year

**Summary:** GOLDYGIRL (6) has been a model of consistency and is overdue that maiden career win. She should have every opportunity of breaking her duck. OTOMAI (1) has found one too good last his last two efforts and with a clear run in transit, he could go one better as he continues to improve with racing. MORGANA BLUE (5) produced a cracking effort last time out but hasn't been sighted this then. If returning ready to rock and roll after that layoff then she could be the one that they all have to set their sights on. DESTROYING ANGEL (9) is a newcomer who could be anything on debut and if there's market support then she will need to be respected.

**Summary:** PEDROZIO (5) hasn't been too far off the action in recent appearances and this is the right type of race for him to get that next career win in. It isn't a race that will take a great deal of winning. ATHELIA (7) has only notched up one win throughout her career so isn't one to go all in on but her consistency will keep one interested and she is likely to earn once again. MY BLACK LADY (8) wasn't far off them at her latest run having finished behind the top choice and she will be effective once again.
