Summary : APRES BRIDGET (5) scored by 5.5L on her debut at Moulins over 3500m. She can follow up from that and looks the best option ahead of JERIKO BOULOISE (2) who has plenty of experience, having won a chase two runs ago over 4000m in mid-October. He has placed form over hurdles and could make things difficult for the selection. TIGRESS DARGENT (1) has been absent from the racecourse for a good while but if fit to go she can be a player.

7. KABYLE - Fell two from the finish at Auteuil when last seen in late October over 3600m. Raced up with the pace that day and showed some talent

8. KARAMELO - Unplaced last time, 3rd before that over 3550m in a Class 4 hurdle in October. Others more likely

A recent third in a Class 1 chase over 4200m last month and a narrow defeat at Auteuil before that when he was second over 3600m in a Listed hurdle race in September. He should be too smart for CELESTIAL SANDS (5) who is lightly raced and could have a good bit more to come. He can be a player under James Reveley.
