1. **SIMPLY STRIKING** - Won a Class 3 on the PSF last time out and has finished in the money in each of his 4 starts at this track. Shortlisted
2. **OZAN** - Resumed recently in the same manner in which he closed out 2022, in winning form on the PSF. Has claims
3. **KING GOLD** - Twice 3rd over this trip at Meydan but not at his best over 1200m last time. Can do better reverting to 1400m for his return to France
4. **CIRANO** - Quinte+ winner on the PSF at Deauville in January but is not likely to repeat that feat on the turf. Place chance
5. **SHINNING OCEAN** - Was 5th in his first start at this level on the PSF but failed to confirm on the turf last time. Others preferred
6. **ETATIQUE** - Distance-suited last-start winner. Up 4kg after an impressive Quinte+ win last time but likely to play another leading role
7. **CICCIO BOY** - Regular in Quinte+ races but out of sorts lately and probably too high in the weights to play a role. Outsider
8. **PEDRITO** - Well-beaten in both starts at Quinte+ level on the PSF this year. Has won over track and trip, so could surprise back on the turf
9. **SEE YOU BOY** - Debuts at this level on his return to French soil having dropped in the weights. Watch for now
10. **COUR DU ROI** - Not beaten far from a wide draw in a Quinte+ at Saint-Cloud last time. Revised weight terms and return to this track will suit
11. **OFFRANVILLE** - Has improved with each outing this year and was a good 3rd behind (6) ETATIQUE last time. Must confirm to play a role here
12. **PUERTO MADERO** - Has found form and consistency at this level off his current mark. Will not be far off the action

16. **FREJA** - Appears to have regressed in 3 starts since her win at Moulins in May. Hard to make a case for

**Summary :** COUR DU ROI (10) finished behind a pair of runners with whom he renews rivalry here when 7th in a Quinté+ at Saint-Cloud last month. He was dropped slightly in the weights so is better off on these revised weight terms which makes him an attractive betting proposition on his return to ParisLongchamp where he won a 1300m Quinte+ back in May. ETATIQUE (6) is up 4kg for winning from a wide draw last time, when beating the selection, but won well enough to suggest that he'd remain competitive despite the penalty. SIMPLY STRIKING (1) has resumed in good form on the PSF at Chantilly but is more than capable on the turf, so ought to make his presence felt from an inside gate. Both OZAN (2) and PUERTO MADERO (12) have been running well at this level recently so are also worth including.

HORIZON DORE (4) also puts a 100% record on the line and should put up a fight on his reappearance, having won a two-year-old Listed race when last seen in October. **6. MQSE DE MAINTENON** - Seldom far off the mark but has only won at a lower level where she is probably more effective. Outsider here

**7. DELIGHTFUL** - Showed promise at two and may well have needed her comeback run. Must bounce back from that effort though

**Summary :** Not disgraced at Group I level last year, SPARKLING BEAUTY (2) should appreciate the ease in grade to these calmer waters and is taken to make a winning reappearance. Winner of this event in 2021 with Rumi, Carlos Laffon-Parias pins his hopes on debut scorer JANNAH ROSE (1) who could be anything following a lengthy layoff. **6. ALTER ADLER** - Consistent for the most part and boasts solid form credentials, but is unlikely to trouble the judge in this company

**7. KERTEZ** - Another who rarely runs a bad race, maintaining a good level of form. Place chance

**Summary :** AL HAKEEM (3) will be all the rage on his comeback having finished a commendable 4th in the Arc at this track back in October. He needn't be fully tuned to make a winning reappearance but will have to be fairly fit to thwart the likely challenge of recent course-and-distance winner HAYA ZARK (5) who would've benefitted from that comeback run. IRESINE (1), fresh after a break over this shorter trip, and SIMCA MILLE (2), with a good ParisLongchamp record to his name, complete the shortlist.

9. **PLESANT JANE** - Has not finished out of the top three in five outings. Won;t be far off the mark
10. **MYTHICARA** - Was a tad inconsistent to end 2022 but at her best is not incapable of getting a look in
11. **KABULA** - Well-beaten 10th of 18 in a Listed race on debut so is hard to make a case for. For another day

**Summary :** MOUNTAHA (6) was 5th in Group III against the boys last year and, on the strength of that form, has a great opportunity here to make a winning comeback.
