1. PIANINO - Won over 2100m at Dax last time 24 days ago. Needs more in a better race but can have a say

2. DIVIN PROPOS - Won over 1900m on the last run in late May at Bordeaux Le Bouscat. Player

3. O'CARBALLO - Nice debut when 3rd over 2000m in late June. Can improve a good deal from that and a bold show is expected

4. DESERT SNAKE - Ran 4th two runs ago over 2200m in a Class 2 race in late April. Might find a few too good

5. ZOKOA - Unplaced last time, won before that over 2000m on the all-weather surface in early April. Others look more likely

6. HABEEBAH - Ran well in a Listed race last time, and won before that at Toulouse over 2100m in March. Leading chance

Summary : Small field but some promising types line up for this Class 2 race. The filly HABEEBAH (6) might be too good for her male counterparts. She ran well in a Listed race last time and won by 3L in a maiden at Toulouse over 2100m in March. She could have most to fear from the once-raced O'CARBALLO (3) who ran a race full of promise when third on debut and can improve a good deal from that. DIVIN PROPOS (2) has improved with racing and can make his rivals work hard. PIANINO (1) could fare best of the remainder.
