## C1 - PRIX XAVIER CEBRON DE LISLE - 1400m (a7f) - TURF - Condition Race - Maiden - Flat - EUR € 23.000

- 1. C COMME CA** - Seems to be improving, 4th over 1200m on May 8th. Should like the step up in distance and play a role
- 2. JOHN STEED** - Last of 12 on only run so far over 1000m in March. The extra 400m will have to bring out a big jump in progress for him to be involved
- 3. KEDUREV** - A bit below par on the last run over 1200m three weeks ago, after a 3rd on debut. Not to be overlooked
- 4. AQUILA VOLANTE** - Ran on well in the latter stages when 3rd at Le Lion D'Angers on May 8th. Form pick
- 5. ENERGIK** - Can only progress from the debut run over 1200m earlier this month. Better run expected
- 6. ROUANITA** - Out of the frame on only run at Chantilly over 1000m on May 9th. Looks safely held
- 7. ANGIOLLETA** - Green on debut and will be more at home over the extra 400m. Ought to be thereabouts
- 8. MARA WOOD** - 5th of 7 on the only run so far at Chateaubriant over 1100m 15 days ago. Needs more to figure
- 9. BAHIA BLANCA** - A winner of a claimer over 1300m at Saint-Cloud two weeks ago. Can be in the shake up
- 10. BUCKLE UP BABY** - Unplaced over 1100m on April 25th on the latest outing. Steps up in trip but needs vast improvement to feature
- 11. CRISTAL DE MAULDE** - Two unplaced runs so far, the latter over 1000m two weeks ago. Others preferred.
- 12. LILY OFTHE KINGDON** - Newcomer by Robin Of Navan, the dam was a 7-time winner. Market guide best for expected performance

**Summary** : AQUILA VOLANTE (4) should appreciate the extra 200m today as he ran on well from the rear when finishing third at Le Lion D'Angers on his latest outing on May 8th. BAHIA BLANCA (9) has her first run for new connections, she was claimed after winning at Saint-Cloud two weeks ago. She will also like her first attempt over the 1400m journey and could pose the main rival. C COMME CA (1) has shown progression on each run so far and looks like the best each-way option. ANGIOLLETA (7) can take a step forward from her debut and is in the mix.

**5. BLUE STARS** - 4th two runs back in a Class 2 race at Fontainebleau over 1600m. Looks safely held

**Summary** : MAROON SIX (2) was a decent third in a competitive Class 2 race on his most recent outing and looks the logical choice ahead of his likely main threat BENNETOT (1) who was 1.5L behind in fourth when they last met, today he is on worse terms by 4.5kg. BRAZILIAN SURPRISE (3) was a bit below par on her most recent outing, but a nice winner at Chantilly before that over 1600m in early March. **Summary :** Although she has yet to get her head in front in 13 attempts, MODERN VALUE (7) has been running well recently. She was a good second at Nancy in early April when narrowly beaten. This might be her best chance so far. SALOCIN (1) knows how to win having won seven times previously. He can be on the premises once again. AD LIBITUM (9) needs to find his form again after a couple of below-par efforts but is capable of giving a good account of himself. KAPTAIN NORDIK (11) can not be ruled out of making the frame.

**Summary :** CAPTAIN DU BERLAIS (3) was a good second two starts ago at Auteuil and this lightly raced gelding can get off the mark for his shrewd trainer. SUN JOY (2) has more experience than the main selection and was a good second in April over 3700m. LINCOLN (1) has been highly tried on the last three runs when unplaced. This is a drop in class and he can be involved. NEVER RISK (5) was a winner on his last outing and looks like there is a good bit more to come. He needs to be monitored closely.
