**Summary:** SEEUOUAGAIN (5) has been holding steady form since her victory last year and appears to be edging closer to that next victory. She remains with scope for improvement and is one of the leading lights. IRBIS (6) has produced two pleasing efforts recently and is on track for a big performance here. He should be in the firing line. BAIGNADE (3) has been dropping in the ratings and showed improvement last time out and can show up well here. TANIS (10) finished just behind IRBIS (6) in their latest encounter and there shouldn't be a lot to choose between them once again but Irbis just holds the edge.

**9. SHASHOU** - Dam was a maiden and this filly makes very little appeal in black and white. Trainer isn't known for debut winners

**Summary:** STOLEN KISS (1) has been knocking on the door for that maiden win which seems to be right around the corner. He brings very useful form into this contest and appears to be the most likely to breakthrough. MAHJONG (3) has had a number of chances to shed his maiden tag but continues without a win although back in maiden company and up in trip, there could be lots to like about his chances. SPIRIT OF MEHMAS (4) has been given time off after his debut effort and is likely to come back a stronger horse which could see him show solid improvement. BABY BLUE (7) improved from run one to two and should continue on that trend into this contest.

**Summary:** WICKBURY (6) found one too good last time out but comes into the race with a 7.5kgs pull at the weights for a length defeat and that should be more than enough to turn the form around with, SUNRISE DREAM (2) who either wins or goes missing according to his form figures so doesn't appear to be too reliable but is capable if on song. PASSINGSHOT (3) is nicely weighted and should be right in the thick of things. ELUSIVE BELARDO (5) is holding useful form and should have a say in the outcome.

VOILA POURQUOI (6) finds himself 3.5kgs worse off at the weights with the top choice on their latest outing which make his task tougher to reverse the form but he should be included in the play. CAPABLE (10) showed very good improvement last time out and if confirming that then she could have a say in the outcome. QUEEN BAY (11) has been sparingly raced in recent times but is now third up for the year which could lead to her showing significant improvement.

**Summary:** DIEGO BELLO (1) won in good style two starts back before an under par latest effort and this should be the right type of race for him to bounce back to best in. BLANCHE SACREE (2) wasn't entirely disgraced in handicap company last time out and could shape up well in a smaller field this time out. OUREA (3) has produced a couple of useful performances in the maidens and should be on the premises. LILAROSE (7) has seldom been far off them and can earn.
