RACE 1 — *V4-1* — Auto **1640**

1 Soulmate Pellini easily found the lead last time he had the inside lane. Good chance to reach the front again and once in that position he will not be easy to get to. **8 Mr Weasley** was back as a winner in the last race and should now be seen as the biggest threat to our pick. **2 Misty Dragon** got a run under his belt last time and will be improved to this race. **11 Mister Kabuki** has done well in all four races this year and should not be discounted despite a tricky starting position.

3 Bold Silvio ran barefoot for the first time in the last race and was improved. Nice draw now and good chance to score a new victory. **4 Bea Palema** finished quickly in the last race from an impossible starting position. Better conditions now and early choice with the right journey. **2 C. Ceasar** finished really well in the last race and is in better form than the results show. **7 Chiani Broline** has not convinced lately but can do much better than that.

12 Eminent Kronos is a bit up and down. In terms of capacity he is a lot better than his opponents. Top chance without a mistake. **5 Attitude Superb** has recharged the batteries and is now back after a pause. The horse to beat from the lead. **11 Nencini** comes from a nice victory. He is in good form but needs some racing luck from this position. **10 Incomparable** got a tough journey in the last race. Good sprinter who passes many horses over the home stretch.

RACE 4 — V4-4 — Auto **1640**

1 Courage does not start very often, but from this inside lane the mare should get a nice trip. Scored a good win two starts back. Early choice with a similar effort. **3 Tui Southwind** is a quick starter and if the seven-year-old reaches the front he could very well lead this all the way. **7 Matadore** has put in several good efforts towards the end without winning. Good enough to be in the fight for the win. **6 Frodo De Castella** has put in consistent and good performances. Would prefer high pace and is in the mix.
