11 Woodcutter is poorly drawn over this short distance. But the capacity is high and in case of a presumed quick pace he can sprint to victory. Our pick. **4 B.B.S. Avicii** finished really fast over the home stretch last time. Barefoot then, same now. Dangerous with the right trip. **5 Lino Band** is really quick from the start and our favorite for the front. Could lead this all the way. **6 Hagrid** is much better than the latest results show. However, the horse has galloped a lot lately. Örjan Kihlström now!
