1 Orlando Viva is good for this class and seems to have a nice task here. The mare can open fast but we are not sure if she can maintain the lead. She should have a good chance anyway regardless the journey. **7 Blast Pad** won easily two starts back and with a similar effort now, the four-year-old challenges for victory. **12 Country Home** won in good fashion last time and is heading towards top form. Way ahead with the right trip. **2 Global Edge** got defeated at the end last time, but can do better than that. Nice lane and should not be overlooked.

5 Epsom As is one of the better horses of his year and will be interesting to follow during the season. Meets some good opponents, but should be seen with the best chance of winning the race - especially as there are many indications that he will take the lead immediately. **2 Eclipse As** is stable mate to our pick and is the one who challenges in the first place. **4 Global Etalon** has high capacity, but will find it hard anyway to win this seasonal debut. **3 Västerbo Exciting** ran a good time in the last run. Will probably follow well here, but he hardly wins this.

Has a nice starting lane and has a good chance to win this. **2 Pennywise** is interesting in this debut under the saddle, especially since Jonathan Carre is the jockey. **1 Botticelli Grif** now makes his 25th consecutive start under the saddle. Good draw and should not be overlooked. **7 Atom Bet** did not convince last time, but can do better than that. Could cause an upset.

7 Killer Journey has shown good speed and should be able to take the lead despite this number behind the gate. If he is allowed to dictate the pace he could very well lead this throughout. **1 Sanoroc News** was top-notch in the seasonal debut, which ended in victory. Will fight for victory again here with a similar effort. **9 Royalty Amore** has run two races since the break and is approaching top form. Gets a defensive trip here and would benefit if the pace gets high. **10 Yatzy Töll** has galloped in the last three starts, but is in the mix here when avoiding a mistake.

8 Matiere put in several top races last year. Now makes an interesting seasonal debut and despite this tricky number, he should have a good chance to win this race. **4 Yucatan Diamant** has only put in good performances this season and comes in top form. In the mix again here. **10 Madewithlove** galloped on the home stretch last time on the way to a good result. Will fight for victory without a mistake. **1 Picobello** comes with two straight wins under the saddle. Nice draw and good enough to be on the podium.
