4 Epicure is our idea in this sprint race. The Norwegian horse won outright last time after a break and was then also driven by Per Oleg Midtfield. Opened fast then and chases the lead again. **10 Idefix** galloped directly last time but came back brilliantly and was still able to win after a quick home stretch. Jorma Kontio is in the sulky again. Challenger. **2 Bull Lock** wins quite often but has not raced since November. Excellent draw but may need this run of course. **8 Jascal** is definitely good enough to win this but this number is lousy. Not at his best last time but certainly well prepared now. Barefoot and bike!

5 Cyouintroublemaj is our winner in this quite mediocre race. Is quite consistent and good and certainly well prepared for this comeback. Has a much better draw than the main contenders and goes barefoot this time. **8 It's Now or Never** comes from Norway and would probably have been our pick with a better draw. Scored a very good win at Mantorp in the middle of May last year. Comeback here. **9 Cross Lane** is trained by Christoffer Eriksson but driven this time by Björn Goop, which is of course exciting. Hasn't competed in almost six months though and will probably run with shoes now. **12 Bring Me The News** is not bad but he has really been unlucky with the draw. Has two runs under his belt now and should be on the way up.

1 Facetime Love comes with three straight wins but that was last autumn. Comeback now and we assume that Björn Goop's horse is well prepared. Can open fast and certainly takes the lead after a while. In that case, he will be very hard to beat. Top chance. **7 Muscle Will** is interesting with Jepson and barefoot. The horse won last time and looks to be in good form. Tricky number though. **2 Thai Vermont** won directly after a break last time in Norway. Should be even better now and this draw is perfect. If the favorite fails. **10 Embarrassed** was second after a gallop last time and has two runs under his belt now. Back row draw now and needs some luck. Can surprise if the pace gets high.

5 Conrads Diderot is our pick here. He makes his debut for Christoffer Eriksson and is driven this time by Carl Johan Jepson. Good draw and will run barefoot straight away. Interesting start. **3 Västerbo Imtheman** is a typical front runner and in that position he has score the latest two wins. Jorma Kontio won with him last time and will surely chase the lead straight away. **6 Itso Sisuu** can also open well. Has rested but is used to pretty tough opposition and should definitely be counted on right away in this field. **7 Missing Tooma** has got two runs under his belt in Norway over the short distance. A bit tricky number here but should be counted with the right trip.
