**8 Starstrucked** has scored four out of five victories over the long distance and in this low class race the handicaps are not that tough. She showed last time that she is in top form and over three laps she must be seen with a top chance. **11 Madewithlove** has been matched in tough company, but the form is a question mark. **10 T.Wall's Kastor** is good for this class and has been beaten by tough opponents lately. **4 David Frontline** has one run under his belt now.

**4 Not for Sale** showed nice speed resources after an early mistake last time and in terms of capacity he is the best in this field. Without a mistake, he should have a good chance to win this. **1 Mezcal Teorvici** comes from two gallops and that is never positive, but before that he had been good and shown that he can handle different types of journeys. **2 My Star Is Born** won from the lead last time and should be improved with a run under his belt. **8 Lets Be Flawless** has a difficult draw, but is capable for this class.

Despite the fact that **1 Maverick Meerkat** is not a very quick starter and has been drawn to the inner lane, he should be seen with the highest chance of winning. He steps down in class and faces almost perfect conditions money-wise. **6 Andante TM** has two runs under his belt now after the break and is the favorite for the lead in the race. **4 Splendid O.** is a typical front runner who has taken all the victories from the lead. **7 Peak'n Roll** is a good horse for this class, but he needs some racing luck with this lane.

**2 Balotelli Face** won last year's seasonal debut with shoes all around from the lead. Nice task here as he has three wins in five attempts in the lead. **3 Ruger** will probably get a trip from behind this time. With the right trip in front, he can cause a surprise as he is good for this class. **8 Soul Tan** returns after a pause, but is an early contender in this company. **7 Red Hot Roadster** can be a bit up and down, but is good when he's on top and has to be considered.
