RANK

11 Modd Fendt won the seasonal debut in superior style second last. Made a similar effort last time, but met better opposition. Now this task looks more appropriate and the four-year-old should have the greatest chance of winning in the race. **10 Solans Wille** has really found his form at the end and is a contender in the battle for victory. **12 Teknopryl** has not won yet after 13 starts, but soon the first victory will come. **4 Stjärn Lina** was locked in with energy left last time. Is in good form and could cause a surprise.

5 Aprilia Zoot scored an easy win second last. Was as good last time, but then it was only enough for a third prize. However, the impression was really nice and with a similar effort the mare should have a nice chance to win this. **2 Nott Eck** can open quickly and will reach a nice position. Speedy with the right journey from the back. **8 One Last Fire** uses to put in consistent and good efforts and soon the first victory of his career will come. **10 Bank Angel** followed well last time but never had a real chance. Only victory was scored with this driver. Should not be overlooked.

5 Sohlbusan has gone a little under the radar for a while and the sensational victory did not come unexpectedly last time. The mare is still in good shape and if she can handles this lane, she should have a good chance to score a new win here. **8 Hvalstad Gyda** held well last time and was then ahead of our pick. She is in good shape for the day and challenges for the victory. **13 Guli Rufus** has been good in this year's two starts and is steadily getting better. Has a strong final lap and has to be considered. **11 Deviljas Kloker** doesn't win very often, but should the pace be high and he finds the right backs, the horse is possible here.

10 Cigars Eagle Owl showed good form last time when he won easily. The mare has been matched in the V75 and this task is nice. She has started at Hagmyren on one occasion before and then she won. Good chance again. **3 Ice Pack** has been up and down lately, but is good enough to fight for victory when avoiding a mistake. **8 Over My Shoulder** put in a strong final lap last time and the form is on the way up. Should not be overlooked. **11 Whispering Pines** is a quick starter and could reach a nice position. Should not be counted out completely.
