3 Tamacti Jun is talented and has two straight wins from the lead. Good draw and meets very mediocre opponents. Top chance. Banker.

9 Steel Panther took a shared victory at Eskilstuna and has done well since then. New driver here and hoping for quick pace. Place bet.

5 Bonnie HB was third last time after a break and should be improved now. Jepson again and can open fast. **10 Bombardier Maanos** won from the lead second last but has to attack from behind now.

8 Drill is in good shape. He won last time and earlier this year he was second in the V75. Bad draw but can do it tough in this company.

7 Visions of Gideon won from the lead second last. Was a bit slow last time though and has had a short break after that. Normally, he's in the mix here. **6 Dionysos L.I.** has been a scratch after the last race. Is not that bad but hasn't won in a long time. New driver and American bike now. **4 Beau Levallo** has made early mistakes at the end. Could cause an upset.

5 Hermine Ima should have a good chance to win here. She is fast from the start and our favorite for the lead. There she won in a good way second last time. Our idea. **9 Bolero af Caramé** is consistent and good and will probably run barefoot today. Interesting! **3 The Vet's Mistake** is the main challenger for the lead. The horse made a mistake last time but had done well before. Should get a nice run here. **4 Yatzy Töll** galloped at the end but is not that bad. Ulf Ohlsson now. Outsider.

7 All Star Yankee makes his debut for Daniel Redén who drives himself. Has not competed since November and is very difficult to judge. So far he has one win in 27 starts. This distance is also a question mark. Nevertheless, our winner. **10 Woodbank** is used to meet tougher opponents and in January he was second in the V75 with energy left. He has got a short break but should be considered. **9 Stepping Moneygirl** can also win with the right trip. **5 Backseatdriver** is well drawn. New driver.
