3 I Love Faux Depart is used to tough opposition and was a bit locked in after a quick finish behind Xia Lloyd three starts ago. Easier now, probably closed bridle and top chance to lead all around. **7 Kathrine SH** is really capable for a race like this but has mostly just kept the pace from far back in the last two runs and will get a tougher journey than the favorite. **10 Icicle AM** has good speed but is disadvantaged by this number in the second line. **9 Dino Cream** has been matched in the V75 but the form is hard to predict.

14 Oppgårdsdrängen is used to face the absolute elite. Met the best Finnish cold bloods last time but galloped under attack. Very good chance. **8 Wolt** followed well last time in the V75 as second behind Månlykke A.M. He is reported to be working well and has good strength. **12 Bokli Rapp NO** has good speed and the trainer is very pleased. However, the seasonal debut leaves question marks. **11 Kalmar** is also capable but failed in the seasonal debut. Should be better now and will run with a lighter balance.

2 Coolman Evo was great in his debut at Solvalla. Not as good in the last run and has got a break. Looks promising though. **12 Money Matters** took three straight wins last autumn in good style and could reach a nice position since he is a quick starter. easonal debut now. **9 Staro Royal Mark** has competed a lot in the V75 this winter and has shown good skills. **1 Incomparable** scored a nice victory from the lead. Is our favorite reach that position here as well. Probably first barefoot all around here.
