3 Kong Venience looked good in a Norwegian V75 race last time, where the four-year-old finished with some energy left. Won in a good way the race before and now the opposition is a little easier. Good chance to win. **1 Holger** followed strongly on the outside of the leader in his seasonal debut. Has certainly been improved by that race and will fight for victory. **8 Hurricane PT** has a difficult draw, but with the right trip from the back he will finish strongly. **4 Creme Caramel** uses to keep up the pace well, but the horse still has not won. Could cause an upset here.

6 Esteban Bar has put in consistent and good efforts in Italy. The four-year-old is now making an interesting debut for trainer Björn Goop and even if the form is a bit difficult to predict, he should have the best chance to win this race. **2 Sun's Nougat** galloped as a big favorite last time, but scored a very good win before that. Will fight for victory without a mistake. **3 Florence Eagra** has put in several good performance and deserves to score her first victory. **12 Matteus Laday** galloped directly behind the gate in the seasonal debut. Is good enough to be in the mix here.

2 Guli Hektor is coming back after a long break and may possibly need a run under his belt. However, he has better capacity than his opponents here and he will more compete against himself. Without a mistake he has a good chance to win this. **4 Rigans Odin** comes from a close but safe win and showed good form. Difficult lane, but will fight for victory without a mistake. **7 Monster Mohikan** is a quick starter and the favorite to take the lead. From there he definitely has to be followed. **5 MP Atlas** was not at his best last time, but can do better than that. Comes back after a layoff and could cause a surprise straight away.

5 Barbaris looks fine for the day. Has been matched in tough V75 races at the end and done well without winning. Is strong and can do it tough. Our pick. **1 David Frontline** won in good style last time. Could reach the front here and in that position he is strong and still undefeated after two attempts. **10 Incase Of Fire** has won a race in Margareta's Early Young Horse Series. Not the same form now, but good enough to fight for victory here. **13 Bear Hope** makes an interesting seasonal debut and even if form is hardly at his best, he should still be considered early.
