10 Selmer I.H. ran on the outside of the leader most of the race last time and couldn't quite make it to the end. Is maybe a bit short of top form, but he should still be seen with the best chance of winning the race. **8 Swagger** comes back after a break, but usually puts in good efforts right away. Main challenger to our pick. **9 Eder Bob** beat Selmer I.H. last time they met. Has good speed and should be counted. **7 Humble Stance** has high capacity, but needs quick pace in the race to be in the mix.
