2 Gabi Kyvsgård was second behind Emoji in the last race and did well. Seems in good form and has a nice draw. Our winner. **1 First Blood** was third just behind our pick last time and is looking for revenge. Has an excellent draw and is fast from the start. **6 Eddie the Eagle** is perhaps the best horse and earned the most money last year. However, he has not raced since November and may need this race. **4 Smokin Joe** won five of twelve races last year. Probably too tough opposition here and is mostly a place bet.

He has a good draw and is our pick here. **1 Game on Shadow** is not bad for this company and should get a nice trip from this draw. **2 MT Theodore** returns after a layoff and makes an exciting debut for trainer Nicklas Korvitsen. Good lane. Has to be considered straight away. **9 Nordic Adventure** comes from a win at Århus and was improved. He has a tricky draw now.

3 Lyon looks talented and has two wins in a row. He won from the outside of the leader in the last race and is slightly better drawn than the main challenger. **5 Malvik** is also undefeated after two races and should of course be considered very early here. A lot will be decided from the start. **9 Lynet McQueen** has also started well but will probably find it hard to challenge our top duo from this draw. **7 Last Night** comes from a surprising win. Won from the lead but has a tricky number here.

7 Maserati M I took a very close win from the pocket in the last race. Has won four of ten races and should have top chance to beat these horses. **4 Kelvin Hydrup** has only one win in 14 starts but has been quite consistent and good. Possible if the favorite would fail. **3 Kicks Yankee** started the year with two straight wins on today's track. Returns after a layoff and is a contender here. **8 Ikon Egedal** is also good enough to get involved in the fight for victory but she is not reliable and has a poor draw.

7 MT Top Notch is coming off a well-deserved victory. Not reliable but if he avoids a mistake he should have a good chance despite this number. **3 Inter** finished fifth as a big favorite in the last race and is looking for revenge. Won with today's driver two starts back. Challenger. **1 Wizer** is consistent and good and has a better lane than at the end. Will probably get a good trip here. **9 General G K** is not bad either but needs some racing luck from this draw. Place bet.

7 Daniel Autrich galloped on the way to a good result in the last race and is looking for revenge. He is definitely good for this company and can do it tough. **3 Ginai** is fast from the start and will certainly take the lead. Gives it away to the favorite? At Skive there is an open stretch. **10 Happyrun Cloc** has a tough draw but meets easier opposition this time. Hopes for quick pace. **4 Houdini Shadow** wins quite often and comes from a rather surprising victory. Good form and nice draw.
