**9 Allanso Pagani** returned after a couple of months' absence and did not convince in the last race. With that run under his belt he should be improved. Has shown good speed and is our pick in this open amateur race. **4 Like High** won his debut but has put in a couple of weak performances after that. Tight starts and interesting changes now. Early contender in this field. **2 Airstite** has faced a lot of tough three-year-olds and put in a good effort as third last time. **5 Mellby Nacho** has a couple of runs under his belt and could be improved.

**5 Peggy Boko** had to mostly trot outside of the leader in the debut but could win easily anyway with energy left. Her mother Sue Boko has given birth to top horses before and this seems a new star. **4 Licorice Sisu** was splendid from the front in the seasonal debut and has shown great talent. With that run under his belt his form is certainly better. Quick starter and could find the lead again. **11 Onyx Stardust** has shown both good class and speed. Challenger. **3 Luigi Mearas** has shown a lot of promise and will soon score a victory.

**8 Fniss** owns great potential for this class and has won eight of thirteen starts. The five-year-old is developing well and won very easily in the last race. Despite this poor position he should have top chance.

**9 Fashion Monger** had to do the hard work in the last race and put in a strong effort. With three runs under his belt for trainer Törnqvist, he should be close to top form. **2 Slivovitz Lover** has been matched in tough companies all the time and could be in the fight directly despite a longer break. **4 Donatello Face** showed good form in the last race and can open quickly.

**3 Fiammetta Jet** got a tough start in the last race but still held strongly as third from the lead. The form is good and now she is competing without shoes again which is a plus. **12 Gunvald** showed good form when he led every meter at Visby last time. Different conditions now, but he is just as good from behind and uses to compete in tougher competition. **1 Bravo Victorio** has not been at his best in recent starts and has therefore taken a break. He faces nice conditions and has both a nice draw and a good driver. **9 Indigo Brick** comes from a stable in fine form and is used to compete against tougher opponents.

Good form and this distance could be an advantage as she is really tough. **2 Juni Brick** was very strong last time and won convincingly from the lead. **3 Xhantis Joojoo** got a tough journey in the last race but won easily with Goop the last time they competed together.

**1 Catullo Jet** the galloped under attack in the final turn last time. Without that mistake he would have been dangerous and now the Gocciadoro trained horse is driven by Djuse. **5 Corazon De B.** impressed in the last race after a layoff and won in a great 09-time. With that run under his belt and tigh starts, his form should be improved. **2 Power Doc** finished strongly last time showing 09/800 meter. Good form and the strong Örebro horse is getting faster too which is why the short distance is interesting. **8 Gates Hanover** has completed the seasonal debut and the Redén stable is in top form.
