8 Eminent Kronos owns a lot of capacity and despite galloping with 700 meter to go last time he was able to come back and win very easily. He has opened quickly several times behind the gate and he will certainly get an offensive start here. **6 Jackson Trot** likes this 800 meter track which he showed last time. Could lead this throughout. **5 J.H. Million** has good capacity for this class and will certainly get a nice journey. Has to be counted even if he might lack a run under his belt. **4 The Sommarflörten** should not be completely overlooked if manages to find the position behind the leader.

7 L'AmourPourBlanca made three starts last year as a two-year-old and earned 1,825,000 SEK, where the victory in the Uppfödningslöpningen was of course the biggest success. Lane seven is not ideal, especially in Åmål, but he is very fast from the start and might be allowed to take over the lead. **8 Romulus Tooma** has started the year promisingly and was second behind our winner in Uppfödningslöpningen. Is all-round and comes with good form. **5 Vikens Love Kill** put in a strong effort after a mistake last time. **2 Ronno** has good skills..

1 Moas Heja Mera ended up far behind in the last comeback and she never really had a chance to win. Now she has a run under her belt and also a perfect draw. We think she finds the lead and from there she should have top chance. **2 Kringlers Roskva** faces very nice conditions money-wise and with a bit of a luck along the way, she is the main challenger to the favorite. **9 Skaane Tora** is consistent and seems quite all-round. **13 Ei Lita HM** has shown great capacity for this class and now it will be barefoot. Possible but needs some racing luck.

6 Kinky Rain has made two starts for trainer Djuse, both in tougher contexts than the victories. Now she is in much better shape than last time when she had number twelve in a Margareta race. She can open quickly and looks to be able to take over the lead. **7 Lavender** won comfortably last time after a quick finish. Barefoot is an interesting change and although there is a risk that she will get a tough journey, she is the main challenger here. **5 Captiva** is tricky, but speedy and from behind the leader she should not be discounted. **2 Fenice Degli Dei** can sprint strongly and is developing well.

4 Önas Samir comes from two straight V75-starts. The gallop last time was an accident and in the start before he finished well to a third spot on the open stretch. **3 Nyras Lars R.** looked nice last time over the finish line and had plenty of energy left then. **8 Parveny** faces a handicap and that is never easy on Åmål, but it is a small field and he has been matched against tough company. Could get an offensive journey here. **1 Credityuan** got locked in with a lot of energy left last time. Circular start now and the track's sharp turns are a question mark for him. Good enough to be in the mix without a mistake.

4 Boscha Diablo impressed in a heat Kriteriet last autumn. He finished fast in the final, but had an unlucky mistake on the home stretch and lost third place. He belongs to the best of his year and can open fast. With his team-mate as front favorite, he should be allowed to take over and from the lead he has top chance of course. **2 Global Enjoy** will probably reach the position behind the leader and could use the open stretch. **11 Pantocrator** sprinted very fast in the seasonal debut, but of course needs a lot of luck with this number. **10 Bicc's Tobee** is developing really well now.

3 Dial Square started late last year but, showed directly that she was one of the better three-year-old mares. Put in a strong effort in the Oaks and from a nice draw, she should have a good chance to fight for victory, even if she might need this race. **2 Foxtail Pine** showed good form after a fast finish last time. Now she only meets mares and as the favorite for the front she will certainly challenge for victory. **6 Daim Brodda** is unbeaten after four starts and has not been empty yet. **9 Dry Martini Grue** comes in top form.
