5 Bullet The BlueSky got a run under his belt in the seasonal debut from an impossible lane at Eskilstuna. Got a more offensive journey last time put in a five-star effort even though they only finished second. Top chance! **6 Lando Mearas** is one of the best horses here and comes from the final of Kungapokalen. Quick starter and should reach a good position. Main challenger to the favorite. **3 Currency Artist** has done well a bit behind the winner in this year's starts and is better than the results show. **10 Flying Kronos** has high potential but needs this race.

6 Oppgårdsdrängen got an inside journey in the Elitkampen and had plenty of energy left over the finish. He won easily in the last race. The starting speed is good, but the lead is hardly a must for the in-form eight-year-old. **7 Majblomster** was surprisingly good as fourth in the Elitkampen with only 17 starts under her belt. Very interesting future. **3 Nordby Elde** is in top form and put in a strong effort after a tough trip in the last race. **8 BW Sture** finished strongly in the last race and is good enough to win with the right trip.

4 Screen Time Limit won the long E3-final last year and was also second in the Breeders Crown last autumn. Her form is a question mark but she is one of the best horses in this race and should be considered early. **3 Lilium Sisu** finished well in her seasonal debut but failed in the last race. She is one of the best mares of her year and an early challenger to our pick. **5 Pretty Be Belinda** has done very well in tough companies lately. **9 Iron Lady Zet** has made three good races and seems in good shape.

2 Tamacti Jun was strong in the last race leading from start to finish at high pace. Has earned a lot of money but should have a nice chance of repeating the last effort, even if he steps up in class. **4 Zaxton** is consistent but should have won the last race. Quick starter and goes for the front. **6 Global Concept** is in great shape after a long layoff. Has good skills. **1 Hagrid** had an impossible task in the last race. 6 Cala Karamell has done well against tough opponents most of the time. She finished strongly behind promising Kobra Brick in the last Guldstoet race. Faces easier opponents than at the end. Our pick. **5 Miss Matters** won easily from the front in the last race after a nice final lap. Quick starter and Wäjersten's choice. First bike. **1 Day Time Trot** has started promisingly but had to open very fast last time. Quick starter and will certainly get a nice trip from here. **2 Luxury Rain** is on the way up and was superior in the last race.
