4 Give Me Five NO is not reliable, but has good speed and if he just avoids a mistake all the way, he should have a good chance to win. **9 Arpi Broline** won easily in the seasonal debut and is probably even better now and should be seen as one of the hotter contenders in this race. **3 Speedy K.** is consistent and good. Barefoot this time is interesting. **2 Inferno Sisu** has done well this year in all starts and has to be counted from a nice starting position.
