## C1 - PRIX DE MONTMORENCY - 2175m (a1 5/16m) - Class - Mounted - EUR € 35.000

- 1. JAMBAVATI** - Modest individual with little flair for either code these days and can be passed over
- 2. JACOVIA MADRIK** - Returned to the monté code recently for the first time in 14 months, gave a good account to come 3rd, and will not be sent out at 104/1 on this occasion
- 3. JOLIE QUEEN** - Not without merit under harness but has twice failed to confirm her Beaumont success and debuts under the saddle with moderate ambition
- 4. JAMAIQUE PAJELO** - Undeniably capable but very complicated. Eric Raffin drafted in for the occasion and can get a look in if he manages to keep her trotting
- 5. JUSTESS VIKING** - Competent filly under harness but has shown a new side to herself since switching vocations and looks competitive for her first monté victory
- 6. JUNON DE VRIE** - Occasionally loses focus but has ample ability for this level. Drops marginally in category and should be good enough to make the frame this time
- 7. JERIKA DE KERYANN** - Sanctioned early in a Gr.2 here last time out but returns to a more reasonable level and, even with shoes on, looks a serious proposition

**Summary** : New to the code until mid-November, JUSTESS VIKING (5) has demonstrated excellent aptitude and Marie Norberg may well have found her the occasion to open her monté account. She will still be pressed by the eminently-capable JERIKA DE KERYANN (7) who benefits from a very good entry, and JUNON DE VRIE (6) who secured her 3rd ridden success over longer here last month.

**C2 - PRIX DE SERRIGNY - 2700m (a1 11/16m) - Class - Harness - EUR €  
35.000**

1. **KALINE DU PONCHET** - Improving type that has started to come good. Takes a hike in class for Vincennes debut though and, even with hind pads fitted, will have her work cut out
2. **KAZA ROCK** - Tricky but respectable filly with better references at a lower level and can be ruled out
3. **KEYSTONE** - No slouch when applied and most recently reassured at Cabourg. Shoes back on this time though and not an obvious choice
4. **KELLISIA GIRL** - Made fine progress during the autumn before twice falling foul of the stewards here, but front pads fitted this time and, with application, can get a look in
5. **KARLITA MADRIK** - Sanctioned more often than not but is clearly talented. Recent form though leaves a lot to be desired
6. **KREATION DREAM** - Moderate sort that pleased over the summer but has disappointed since the spell and needs to raise her game
7. **KERRA UP STAR** - Got off the mark at Segré before finishing a place behind KALINDA DU PARC (13) here next time, and will have her supporters
8. **KOPAZE DE HOUELLE** - Plainly talented but has yet to make her mark here. Fitted with 4 pads for the occasion though and can get back in the game
9. **KINOUE DAB** - Quality element that raced respectably here last month after winning 2 on the trot. Shod competitively this time and looks a player
10. **KANDIA QUICK** - Put away after winning in the spring and returned to competition last month with a resounding Marseille success. In similar form, can make a big splash first time at the venue
11. **KEENGAME** - Progressive filly that met little opposition in last 2 starts and can make her Vincennes debut a winning one
12. **KALINE FOUR** - Handy sort that has twice made the frame over a similar distance recently and, while arguably better going right-handed, still warrants considerable respect
13. **KALINDA DU PARC** - Got her career off to a victorious start but has not been as sharp since stepping up in category. Is proven under these conditions though and could yet make the first 5

**Summary** : Sent for a spell after opening her account, KEENGAME (11) was victorious on her first start back, and makes her Vincennes debut with a realistic chance of pulling off the three-timer. Similarly on a hat-trick, KANDIA QUICK (10) races with pads for the first time and must also be considered a live chance. By no means disgraced on her recent Vincennes debut, KINOUE DAB (9) is also sporting pads and should prove more competitive this time around. KALINE FOUR (12) has made decent progress recently and must be taken seriously.

**C3 - PRIX RMC (PRIX DE MENDE) - 2175m (a1 5/16m) - Class - Mounted -  
EUR € 49.000**

- 1. GREFFIERS FLINOIS** - Consistent trotter that alternates well between the 2 codes but appears to be biting off more than he can chew this time
- 2. HEURISTIQUE** - Can trot but is never easy to gauge. Reassured here last weekend and, similarly shod, should not be written off
- 3. HANDSOME BOY** - Has been in the form of his life since early October, winning 3 from 4. Moves up in category after scoring nicely over 2700m and, similarly shod, will have his chances
- 4. HIRO DE L'ORMERIE** - Tricky character that raced better here last month than the result would suggest. Goes barefoot again after prepping here 3 weeks ago and will have his supporters
- 5. HEVA BLONDE** - Has ample ability and has won over course and distance, but has looked rather ordinary of late and first needs to reaffirm
- 6. GOUTIER CELESTE** - Temperamental type that has never disappointed over 2175m here. Imposed in very good order earlier in the month and is eminently capable of repeating
- 7. GROUND ZERO** - Much improved since the autumn and ran GOUTIER CELESTE (6) close last time here. Sharpened up, shod, at Cabourg and, with shoes off this time, can again bring the fight to her
- 8. HISTORIA KAT** - Well-regarded mare that left a good impression over track and trip last month. Returns to a tried and tested shoeing formula and is unlikely to disappoint
- 9. HARPIE DU PERCHE** - Superb here last winter but has yet to hit those heights this term. In marginally less-exalted company on this occasion but a minor place chance at best
- 10. HARBELLA** - Rarely gets her nose in front but is an honest mare. Is proven under these conditions but, in this company, will struggle to make much of an impact
- 11. HOCKFELER DU MESLE** - Serious type that seldom disappoints when focused. Form is not in doubt and will not be far off the mark if Alexis Collette keeps him trotting
- 12. GLOIRE JOYEUSE** - Decent sort that regularly gives her best but takes on some bigger beasts this time and will have too much to do

**Summary** : Although regularly object of the stewards scrutiny, GOUTIER CELESTE (6) has nothing to prove under these conditions and, with application, can again hold off the tenacious and barefoot GROUND ZERO (7) who finished a close second to him earlier in the month. Enjoying something of a renaissance over recent weeks, HANDSOME BOY (3) won with relative ease here mid-month and is proven over track and trip. It's often a case of all-or-nothing for HOCKFELER DU MESLE (11) but he is hard to fault when he can stay in stride.

**C4 - PRIX 20 MINUTES (PRIX DE MAISONS-ALFORT) - 2850m (a1 3/4m) -  
Class - Harness - EUR € 35.000**

- 1. J'Y PENSE** - Just once out of the frame in last 5 starts. Good second to JOADIE WIND (6) last time out and, barefoot on this occasion, is certainly worth monitoring
- 2. JOCONDE DE RHEVE** - Faithful for the most part and seldom goes home empty-handed, but faces a stiffer test this time around
- 3. JUST IN CADENCE** - Unremarkable filly with 2 races in her since the break but has yet to make any impact and is not about to change her ways
- 4. JURELLA DE PALM** - Showed promise last winter before coming off the boil. Unexceptional in either return run and will have too much to do
- 5. JOSY EXPRESS** - Very hard to knock since starting to race barefoot. Opened her Vincennes account on the inner course recently and will have a lot to offer if she takes to main track profile
- 6. JOADIE WIND** - Filly with no shortage of ability but is as complicated as they come. Impressed here recently though and, barefoot again, must be taken seriously
- 7. JAZZIE DE BERLES** - Has begun to make good on her promise since starting to race barefoot. Finished 3rd over track and trip earlier this month and will have her supporters
- 8. JAKIRA** - Winless after 31 starts but came close here a week back. Benjamin Rochard reining this time and looks competitive for a place in the frame
- 9. JUMBY BAY** - Three times a winner last season, including over the main track. Will be at peak fitness by now and can get straight down to business
- 10. JOMA OV** - Respectable main-track references but has won just 1 from 7. Has freshness on her side but still not an obvious choice
- 11. JUST GLORY** - Tricky individual that sprang a pleasant surprise here recently and, with form maintained, will not be far off the mark

**Summary** : Very impressive last season, JUMBY BAY (9) has taken particularly well to the Vincennes main track, and with 2 races under her belt, is entrusted to Matthieu Abrivard who will be eager to get her back in the winners' circle. She will still be opposed by JOSY EXPRESS (5) who made her Vincennes debut a winning one, and a move to the main track is unlikely to prove an inconvenience. JAKIRA (8) is still chasing that elusive first win but she went close here last weekend and warrants respect. Highly erratic she may be but JOADIE WIND (6) stormed up here 12 days ago and will be no easy touch if she stays trotting.

## C5 - PRIX WTW HIPCOVER ASSURANCES HIPPIQUES - 2850m (a1 3/4m) - European - Mounted - EUR € 59.000

- 1. FULL CASH DE PADD** - Modest individual that made a modest monté debut here mid-month and appears to have no realistic chance
- 2. FASCINANT** - Has never finished closer than 4th in 9 starts over the long course, and latest effort did little to inspire confidence
- 3. FRODON THONIC** - Regular for the most part but has not been firing on all cylinders since the summer and chances slim at best
- 4. FAUBOURG DU PERCHE** - Interesting character that has straddled the class spectrum, most recently produced his career-best performance, and backs up with a reasonable chance of challenging for the win
- 5. FLASH DU BIWETZ** - Good consistent type for the most part. Has references in this category and, with stride in check, has a realistic chance of competing for a place in the frame
- 6. FORAIN JENILOU** - Rarely far from losing his action these days but is plainly at the top of his game and should be able to win this if Damien Bonne keeps him trotting
- 7. FEELING BOY** - Gave a good account behind FORAIN JENILOU (6) last month on just his second appearance under the saddle and is expected to show improvement
- 8. FORTO DEO** - Has decent monté references but has been a write-off under harness for past 17 months and no fireworks anticipated
- 9. FARANDOLE DI PALBA** - Complicated mare but has nothing to prove at this level. Reassured with a fine run here mid-month and, with form maintained, will be no pushover
- 10. FIRST GEDE** - Capable on a good day but went into his break on a low note and, even though competitively shod, is unlikely to shake things up on first start back

**Summary** : Just ten runners but it nevertheless looks a competitive affair. Brimming with talent but still his own worst enemy, FORAIN JENILOU (6) got off on the wrong foot 9 days ago after having flown up here late last month but Damien Bonne will be determined to make things right. He can nevertheless expect to meet FAUBOURG DU PERCHE (4) who defied his odds to run the good Huis Clos close here last weekend, and FARANDOLE DI PALBA (9) who set her personal best chrono when second over track and trip a fortnight back. FLASH DU BIWETZ (5) seldom disappoints when unshod and is thoroughly capable of making up for his Cabourg sanction.

## C6 - PRIX DE BOURGOGNE-AMERIQUE RACES PMU Q#5 - 2100m (a1 5/16m) - Internationale - Harness - EUR € 120.000

1. **HOHNECK** - Remarkably tough type that seldom disappoints when barefoot. Has one race under his belt and looks eminently capable of giving AMPIA MEDE SM (3) a run for her money
2. **COKSTILE** - Winner of Gr.1 International Trot at Meadowlands in 2022. Not the biggest fan of Vincennes and even though barefoot for his return to the venue, is unlikely to shake things up
3. **AMPIA MEDE SM** - One of the most consistent horses here and will be at peak fitness by now. Has won 4 times over track and trip, notably beating many big-hitters in Gr.1 Prix de France last February, and has every chance of winning this
4. **DELIA DU POMMEREUX** - As talented as they come and ideally-placed in front, but went off the boil last season. Has yet to impress this term, but is barefoot and will generate interest
5. **GO ON BOY** - Fine trotter with very good speed. Makes first start since the spell but generally takes little time to freshen up and should not be far off the mark
6. **HAIL MARY (SWE)** - High-class Swedish import making his first sortie south. Expected to be race-rusty but has hind shoes off and a decent spot in front. Attention
7. **MONI VIKING** - Classy element that is still going strong, one day away from his 11th birthday. Showed his form at home in Solvalla recently and, barefoot this time, is not to be entirely written off
8. **HOOKER BERRY** - 2023 Prix d'Amérique winner that is right on course for another shot at the crown, but races shod this time around and can be passed over
9. **FLAMME DU GOUTIER** - Excellent servant in both branches of the business. Runner-up in last year's edition before winning the Cornulier and, despite a dreadful draw, can still make her presence felt
10. **HOKKAIDO JIEL** - Gr.1 Prix René Ballière winner during the summer, beating HOHNECK (1). Placed in the Prix de Bretagne before coming unstuck in the Bourbonnais, but is still in with a shout of picking up a cheque
11. **BEADS (USA)** - Lightly-raced Italian-trained mare that won the Gr.3 Prix du Luxembourg over track and trip last winter. Has 2 races under his belt since the layoff, is barefoot for the occasion, but others still preferred
12. **HORSY DREAM** - Quality individual with excellent Vincennes credentials. Was unlucky in the Prix de Bretagne and, despite the 2nd line draw, can nevertheless set the record straight
13. **HANNA DES MOLLES** - Remarkable servant in the monté discipline. Races barefoot this time, and should give an honest account, but the Prix de Cornulier is her ultimate objective
14. **ZARENNE FAS** - Can trot but tends to show more in the monté code and poses no threat
15. **CHARMANT DE ZACK** - Useful for the most part but has never delivered at this level at Vincennes and the draw only adds insult to injury
16. **GU D'HERIPRE** - Blows hot and cold but talent is not in question. Secured his berth in the Bourbonnais but the draw will do him no favours
17. **HUSSARD DU LANDRET** - Hardy sort that guaranteed his Prix d'Amérique run with Bretagne success. Just pads fitted this time and will not be over-stretched
18. **EMERAUDE DE BAIS** - Serious mare that seldom lets the side down when focused. Has form at the highest level, boasts a fine turn of foot and, even though handed a shocker of a draw, Matthieu Abrivard has the wherewithal to get her in on the action

**Summary** : With so much at stake, it is no wonder there is a full field. AMPIA MEDE SM (3) acquitted herself well in the two previous 'B' races, has an excellent spot behind the car, and can secure her Prix d'Amérique berth. She will, however, be up against Elitlopp winner HOHNECK (1) who is barefoot for his first real objective of the winter, and second-line starter HORSY DREAM (12) who was forced to miss the Bourbonnais due to injury. GO ON BOY (5) has not been seen out since his productive run over 5 countries and, ideally-placed behind the car, looks a serious proposition.

**C7 - PRIX DE CONDE - 2700m (a1 11/16m) - Class - Harness - EUR €  
46.000**

**1. JOB DES MOLLES** - Complicated colt that won here during the summer. Most recently surprised behind JACKMAN (14) but a repeat seems improbable

**2. JEAN MADRIK** - Seen more often at a lower level. Failed to confirm his fine win at Le Croisé and can be confidently disregarded

**3. JAZZ D'OURVILLE** - Fine colt that excelled here last winter. Latterly trotted 2nd to JOKER DES CHALIERS (11) but still has more ground to make up

**4. JE T'AIME** - Has done nothing exceptional since imposing over track and trip 12 months ago. Encouraged here early-December but still looks outclassed

**5. JAZZ DE PADD** - Showed considerable early promise but rather disappointing of late. Has never disappointed when barefoot though and has solid Vincennes credentials

**6. JOUR DE GLOIRE** - Won over shorter here during the autumn but has since failed to confirm. Encouraged last time out though and, if behaved, can make his presence felt

**7. JUSSEO** - Fine servant that has won 2 of his last 3. Reunited with Eric Raffin and, although stepping up in category, still looks a decent place prospect

**8. JILORD VIVA** - Faithful for the most part before going through a rough patch recently, but reassured with a resounding victory over shorter here mid-month and, in similar form, can get in on the action

**9. JOUR DE FETE** - Yet to get off the mark this term but has twice come close recently and it would be no surprise to see him get his nose in front

**10. JET JET JET** - Late developer that has won 8 from 10. Courageous on his recent Vincennes debut but still has more to find

**11. JOKER DES CHALIERS** - Hardy sort that won 2 on the trot here before finishing a place behind JOUR DE FETE (9) here 3 weeks ago. Lebourgeois reining this time and is not incapable of making the first 5

**12. JEDUISANT** - Remarkable at Vincennes over the summer before being put away. Well-beaten in both since but is competitively-shod this time and should not be entirely written off

**13. JAMES MADRIK** - Occasionally loses focus but is otherwise a tough colt. Is confirmed on the main track here and, with his mind on the game, should not be far off the mark

**14. JACKMAN** - Quality sort that excels when unshod. Won over track and trip during the summer, most recently imposed with ease, and looks the principal danger to JOUR DE FETE (9)

**Summary** : An open affair this, but Jean-Michel Bazire may nevertheless hold the key with the in-form JOUR DE FETE (9) who seldom disappoints when barefoot, and stablemate JACKMAN (14) who has been simply dynamic lately. JUSSEO (7) boasts an enviable strike-rate, opened his Vincennes account earlier in the month, and despite the hike in category, looks competitive for a place on the podium. JAMES MADRIK (13) was oddly out of sorts here last time, but returns fresh and can make amends.

## C8 - PRIX DE BEAUMONT-DE-LOMAGNE - 2850m (a1 3/4m) - Class - Harness - EUR € 41.000

- 1. ISIA DU CHENE** - Never far from losing her action but has ample ability for this category. Is confirmed with Ploquin in the sulky but nevertheless faces a stiff test
- 2. IALLA IALLA** - Has imposed just once since winning here last January. Goes first time barefoot with Alexandre Abrivard reining, but others still preferred
- 3. IDYLLE DU CADRAN** - Tends to go better right-handed but does have references here. Returned to winning ways at Cabourg and deserves to take her chances
- 4. IDEALE D'ABBEVILLE** - Regularly in the thick of things when racing in current configuration. As good in one code as the other and has the wherewithal to put on a decent show
- 5. INES DE BEYLEV** - Has shown marked improvement since starting to race unshod. Entrusted to Eric Raffin for the first time and is unlikely to disappoint
- 6. IMAGE DE FLAM** - Excellent earlier in the year before coming off the boil. Stays shod for re-entry and not a realistic proposition
- 7. ILIADE D'URZY** - Versatile type that has raced respectably at Vincennes recently and, although not a priority, can still get a look in
- 8. IMPULSE JULRY** - Rarely disappoints when she can keep her action together. Unlucky on comeback and, even with pads fitted for Vincennes debut, will have her work cut out
- 9. ISLAND CASH** - Mixes the good with the less good but reassured in no uncertain terms here mid-month and is unlikely to let I LOVE ROSE FLOWER (11) have it all her own way
- 10. ITALIA JADOR** - No superstar but tends to go well when unshod. Modified configuration this time and is not out of the picture
- 11. I LOVE ROSE FLOWER** - Not the most attractive formcard here but she is plainly in excellent shape. Has won over a similar trip and, in present form, can do so again
- 12. IPSIE DE LA LUNE** - No champion but imposed superbly here last month and will have her chances if she can replicate that performance

**Summary :** Off the boil for much of the spring and summer, I LOVE ROSE FLOWER (11) has started to come good again and, in this company, looks the pick of the field. It took some time for ISLAND CASH (9) to come to hand this term but she received a big thumbs-up for her latest effort here and, with form maintained, can apply the pressure. The erratic IPSIE DE LA LUNE (12) won here last month, benefits from a very good entry, and can make a big splash. Runner-up three times in her last five starts, INES DE BEYLEV (5) will be competitive for a step on the podium.

## C9 - PRIX DE TOURNON - 2700m (a1 11/16m) - European - Harness - EUR € 53.000

1. **LOZANO (GER)** - Well-regarded type making his first appearance since early-October and is not about to spring a surprise
2. **DENARIUS** - Hardy Swedish import making his first start for new stable. Shoes on though and others easier to back
3. **IGGY POP DE CHENU** - Very hard to knock when barefoot and applied. Has taken well to Vincennes and, with Benjamin Rochard reining this time, is unlikely to make the same mistake twice
4. **CHEMAR** - Competent type that showed decent aptitude in Paris over the summer. Goes barefoot for his return to the venue and will have his supporters
5. **CROWN WISE AS** - Fine Scandinavian import now in training with JMB. Showed improvement here 3 weeks ago and will be dangerous if allowed to express himself
6. **INSTANT D'HAUFOR** - Unbeaten in 3 starts over course and distance. Left quite the impression in better company last time and drops in category with legitimate ambition
7. **IRON DU GERS** - Simply dynamic when racing barefoot. Has other priorities though and can be passed over
8. **IRIS DES ROSEAUX** - Trotter of considerable quality, and winner of his last 2, but races shod and best to hold off
9. **IVRAM** - Can trot but not the most dependable. Plainly back in shape but, in this category, will struggle to make his mark
10. **CHERRY TOP** - Useful Italian sort that has raced and placed at a marginally higher level. Hind shoes off following 2 return runs and must be worth retaining
11. **ILLICO DES BAUX** - Reliability not his strong suit but is never far from surprising. Has solid references over 2700m and, with Eric Raffin back in the sulky, is not to be underestimated
12. **IQUEM** - Complicated character that has posted some decent results here recently. Is not a priority but, on good behaviour, can get in on the action
13. **IACYNTHÉ DIDJEAP** - Faithful campaigner that has been on a fine run of form since July. Second under these conditions a month back and with Alexandre Abrivard reining, will be afforded every chance
14. **IDEAL DE JEAN** - Capable element that has progressed well over recent months. Below-par last time though and is unlikely to shake things up
15. **LAREDO BOKO** - Quality nordic trotter that will have no issue with the distance. Was not disgraced at a higher level last time but drops sufficiently in class to make this his own
16. **IMAGINE DARLING** - Has merit but never easy to gauge. Showed improvement at Saint-Malo last time, is unshod all 4 on this occasion, but others still preferred

**Summary** : Group-class Swedish raider, LAREDO BOKO (15) takes a big dip in category after holding his own in the Gr.1 Prix Ténor de Baune and looks eminently capable of winning this. Matthieu Abrivard would still be wise to be wary of compatriot CROWN WISE AS (5) who similarly drops back down the class ladder, and INSTANT D'HAUFOR (6) who left a good impression in a Gr.3 here earlier in the month. IACYNTHÉ DIDJEAP (13) is a tough nut to crack when barefoot and is evidently close to his race.

**C10 - PRIX DE PITHIVIERS - 2700m (a1 11/16m) - Class - Harness - EUR €  
46.000**

- 1. KWALITA SUPREME** - Put away after showing potential during autumn 2022. Impressive on comeback, will have come on for the run, and is not to be underestimated
- 2. KOUBA D'OURVILLE** - Has never shown any particular aptitude for the harness game and can be ruled out
- 3. KYNTE FLUSH** - Tricky type but has previously won on the main track. Unseen since mid-August though and will need the race
- 4. KALINKA SOMOLLI** - 4 times a winner in 7 starts, including over the inner track. Showed her form, despite finishing unplaced, under these conditions recently and, with different tactics, can make amends
- 5. KHARA DRY** - Has ample ability but has not once got around Vincennes unscathed. Eric Raffin reining but others still easier to trust
- 6. KIDEA DREAM** - Competent filly making her seasonal debut but is destined for a campaign under the saddle and can be passed over
- 7. KOKOTE** - Justifiably well-regarded sort that surprisingly lost her action here earlier this month, but is better than most here and, with application, can make the frame
- 8. KIM DE BEAUM** - Got the winter meeting off to a victorious start but was trounced next time out and is not about influence the result
- 9. KOKINE JABA** - Progressive type, but complicated. Yet to be bested when fitted with pads though and is not incapable of maintaining her perfect Vincennes run
- 10. KITTY CALL** - Very impressive earlier in the year before failing to make the grade in better company. Found wanting on comeback and appears to need another run
- 11. KELLY JANE** - Fine filly but can prove a handful. Has a decent record in Paris, benefits from a good entry, and can bring home the bacon
- 12. KACHA DE VANDEL** - Just the one win to her name but has form at a superior level. Drops back to a more reasonable category and, if race-fit, can give this a good go
- 13. KARMINA** - Dependability not her thing but gave a good account of herself here last month and, if focused, can get in on the action
- 14. KINNAIRD** - 26 races and yet to lose her maiden tag. Has no love for either Vincennes or 2700m at Vincennes, and is unlikely to generate much interest

**Summary** : Confirmed over course and distance and currently in excellent shape, KELLY JANE (11) put on quite the show here 3 weeks ago and, with stride in check, can double up. Unbeaten in 2 starts with hind pads on, KOKINE JABA (9) is fitted with 4 on this occasion, will be reined by Alexandre Abrivard for the first time, and is eminently capable of confirming her recent victory. KOKOTE (7) has not won since opening her account under these conditions during the spring, but is clearly in fine shape and will be no soft touch if Mathieu Mottier keeps her trotting. KACHA DE VANDEL (12) has not been seen out for over 2 months but, with hind pads fitted, could well get straight down to business.
