## KEY TO SYMBOLS

**Top Rated:** The horse with the best chance based solely on past form, specially tailored to a 0-100 scale.

**Horses For Courses:** A suitable track for the horse, compared to its lifetime record on similar courses as defined by Timeform's course data.

**Jockey Uplift:** The engaged rider has a notably higher Timeform Jockey Ranking than those who've ridden the horse on its most recent starts

**Trainer Form:** A hot trainer to follow, based on Timeform ratings-related measurements looking at the recent performance of runners.

2m145y (3350 Metres)****RACE 1****GBI RACING**Going: **Good (Good to Firm in places)**

Left handed, fairly sharp, minor surface undulations. Races are usually well run, especially on the hurdles course, possibly on account of runners being on the turn pretty much throughout, though the sharpish nature of the track means that prominent-racers are often favoured all the same. Fences generally regarded as being fairly stiff for a minor course, though attrition evidence doesn't support this.

**4 SOLENT GATEWAY (IRE) (24)** (D, BF) **94**  
4332-2 7 11-4 | 71.7kg b+t

Donald McCain

**Brian Hughes**

Fairly useful winner at 17f on Flat. Yet to match that level in 5 starts over hurdles but is proving generally progressive and might've won had he jumped the last better in 6-runner affair at Sedgefield (19.8f) on most recent outing. Obvious player.

**5 HERJA (IRE) (31)** **100**  
43-2 5 10-11 | 68.5kg h+t  100

Patrick Griffin, Ireland

**Danny Gilligan**

Has made the frame all 3 starts over hurdles, including when second in 5-runner novice at Ffos Las (21.9f, good) 31 days ago. Should give another good account back down in trip.

**6 SHE'S A WOMAN (22)** **70**

Dan Skelton

**Harry Skelton**

Runner-up on first of 2 starts in bumpers and considerably handled when third of 8 in a novice at Worcester (20f, good to soft) on hurdles bow 24 days ago, not knocked about. Drop back in trip not sure to suit but open to improvement nonetheless.

**8 URBAN RHYTHM** **83**  
5 10-11 | 68.5kg

Oliver Greenall &amp; Josh Guerriero

**Henry Brooke**

Cityscape mare. Dam (c93) lightly raced in bumpers/over fences.

**6-4** Herja, **5-2** Solent Gateway, **3-1** Top Tier Gossip, **18-1** Urban Rhythm, **22-1** Meetingofthewaters, **100-1** bar

**TIMEFORM VIEW:**

SOLENT GATEWAY is proving steadily progressive in this sphere and might've won had he jumped the last more fluently at Sedgefield on his most recent outing, so he's taken to gain compensation fitted with first-time blinkers. Herja and Top Tier Gossip are obvious threats.

4 DECLARED RUNNERS

**BETTING FORECAST:**

6-5 Baskerville, 85-40 Full Monty, 5-1 Lune De La Mer, 11-1 Sovereign Star

**TIMEFORM VIEW:**

Alan King's BASKERVILLE got off to the perfect start in this sphere at Stratford recently and can defy an 8 lb weights rise to go 2-2 and thwart Full Monty who also made a promising chasing debut when runner-up at Worcester and rates a big danger. Fencing newcomer Lune de La Mer shouldn't be underestimated either.

Won twice in a light 2023 but only gave his running twice in a busier campaign last year. However, back to form with a bang off reduced mark after 5 months off at Cartmel 11 days ago and must be respected under a 7 lb penalty.

**2 FINEST VIEW (29)** (D) **99**  
1/222235-1 8 12-0 | 76.2kg

Alan King

**Tom Cannon**

Fairly useful hurdler who was runner-up 4 times in handicaps last summer. Getting the hang of things over fences now, off the mark at the third attempt at Huntingdon 4 weeks ago. Remains with potential as a chaser.

**3 GOD'S OWN GETAWAY (IRE)** (24) s **100**

FINEST VIEW left previous chasing efforts behind down in grade after 5 months off when scoring at Huntingdon 4 weeks ago and she looks capable of following up taking on exposed rivals. God's Own Getaway may emerge as the biggest threat off a sliding mark.

Max Young

David Noonan

Modest on Flat. Possibly flattered when runner-up in a slowly run race at Ludlow, failing to back up that effort when well-held fourth in a 2m Worcester maiden 2 weeks ago. Will need to improve to defy a stiff opening mark on handicap debut.

**2 BLAZER TWO (43) t 95**  
4629- 7 11-9 | 73.9kg

Lucinda Russell

Alan Doyle (5lb/2kg)

Modest handicapper at best on Flat (stays 1½m) who made more impact than previously over hurdles when second in 7-runner novice at Kelso in February. Took a strong hold when failing to last home on handicap debut at Perth in April. On a tough mark and will need to settle better.

**3 PORTCAMMON (IRE) (20) s 95**  
1/47566-4 6 11-7 | 73.0kg

Neil Mulholland

Conor O'Farrell

Fairly useful bumper winner, the bare form of his hurdling debut (on final start for Willie Mullins) reads well in this company. Will need to improve on what's he shown for current connections but did shape better than the result suggests on handicap debut last month. Interesting contender.

**4 GUILLAUME (IRE) (12) t ★ 100**  
3442944-2 8 10-11 | 68.5kg

Donald McCain

Theo Gillard

Last win came over fences at the back end of 2023 but bounced right back to form over hurdles when runner-up in 2m2f Kelso handicap 12 days ago. Looks set to run another big race if in similar form here.

**5 MIASWELL (IRE) (56) t 93**  
5753- 4 10-9 | 67.6kg

Donald McCain

William Maggs (5lb/2kg)

Fair dual 1m Flat winner for David O'Meara. Found it tough going on handicap hurdle debut at Sedgefield (16.8f) in April prior to underwhelming effort returned to the Flat last month. Still lightly-raced in this sphere but may require further leniency from the handicapper.

**6 TROPICAL TALENT (31) (D, BF) s+t 99**  
2378732-5 6 10-8 | 67.1kg

Oliver Greenall &amp; Josh Guerriero

Henry Brooke

Best effort over hurdles when runner-up in a novice handicap over this C&D in September. Failed to justify strong support on latest hurdles outing but has performed creditably over fences this season. Reverts to hurdles with cheekpieces refitted and could be worth another chance.

**7 BLOSSOM TEA (159) t 65**  
666- 4 10-3 | 64.9kg

Oliver Greenall &amp; Josh Guerriero

Toby Wynne

Down the field all 3 starts over hurdles. Likely to be the stable second string but worth a market check starting life in handicaps from a very low base. Engaged 4.33 Uttoxeter Thursday.

**8 HOPE HILL (IRE) (131) (BF) 93**  
678P9/554- 7 10-2(9-12) | 64.4kg (62.6kg)

Joel Parkinson &amp; Sue Smith

Peter Kavanagh (3lb/1kg)

Poor form to date but did head the market when last seen disappointing in a 16.8f Sedgefield handicap in January, possibly unsuited by the testing ground/shorter trip. Low mileage but will need to improve to win this from out of the handicap on return.

**BETTING FORECAST:**

**7-2** Guillaume, **7-2** Tropical Talent, **11-2** Hope Hill, **13-2** Portcammon, **15-2** Regal Cavalier, **10-1** Miaswell, **18-1** Blossom Tea, **18-1** Blazer Two

**TIMEFORM VIEW:**

Returning to the scene of his best hurdles run to date when runner-up over this C&D, TROPICAL TALENT could be worth another chance with headgear refitted. Portcammon mixed it in better company than this when trained by Willie Mullins and there were signs of promise in his most recent outing for current connections. He's feared, particularly if the market speaks in his favour, while Guillaume warrants plenty of respect having bounced right back to form last time.

	Fairly useful hurdler has had multiple breathing operations. Ran close to best recent hurdles form when third on chase debut in November and shaped better than the beaten distance at Huntingdon later that month. Has won off a break and is worthy of consideration in this grade back over hurdles.

	Three-time winner for Olly Murphy in 2023 and has proved every bit as good for current connections, underling his consistency when fourth in a 14-runner handicap at Worcester (20f) last month. Respected back in a less competitive affair.

	Fergal O'Brien	<b>J. Hogan</b>	
	Much improved from hurdling debut when landing a 19f Warwick maiden in April 2024 and would have defied a penalty at Uttoxeter the following month but for final flight fall. Two tame efforts following that mishap and needs to bounce back on handicap debut following a 10-month break.

	Landed a hat-trick across both codes last year and has resumed progress this season, built on reappearance when landing a 21.6f Newton Abbot handicap prior to following up over the same C&D in the first time cheekpieces 9 days ago, winning easily. Progressive and should run well under a penalty.

	Landed maiden hurdle at Musselburgh in April 2024 and just about his best effort over hurdles when runner-up at this venue the following month. Finished last on handicap debut prior to checking out tamely in first-time blinkers at Musselburgh in February. Questions to answer with headgear removed.

**BETTING FORECAST:**

**9-4** Al Sayah, **3-1** Lipa K, **7-2** Liverpool Knight, **15-2** Whizz Kid, **12-1** Speed Davis, **16-1** Gwash

**TIMEFORM VIEW:**

It could pay to take a chance on the reappearing WHIZZ KID who typically races in better company than this over hurdles and can go well fresh. Al Sayah, still 3 lb well-in under a penalty, has to be respected in her bid for the hat-trick, while the consistent Liverpool Knight should give another good account. If taking up this engagement, Lipa K could prove a danger to all stepping back up in trip following his best hurdles run to date.

**1 HEATHER HONEY (20) (CD) 96**  
 4/598541-1 6 12-0 | 76.2kg  
 Joel Parkinson & Sue Smith *Peter Kavanagh (31lb/1kg)*  
 Lightly-raced mare justified support to easily get off the mark in a 9-runner Newcastle handicap in April. Clearly going the right way having followed up off 8 lb higher over this C&D (good to firm) next time, but a further 6 lb rise could leave her vulnerable in this tougher race.

**2 POUR THE WINE (IRE) (43) 95**  
 30/7- 9 11-12 | 75.3kg  
 Jennie Candlish *Sean Quinlan*  
 Would have a fighting chance off this mark if reproducing something akin to her peak form in Ireland for Peter Fahey. However, she didn't show anything on her debut for new connection, a poor effort even allowing for the fact that she was returning from 18 months off. Now tried in cheekpieces.

**3 CHATSHOW HOST (IRE) (20) 96**  
 62/76PP3-3 8 11-11 | 74.8kg  
 Donald McCain *Theo Gillard*  
 Some fair bit and pieces of form over hurdles, not least when third off 11 in a novices' handicap here on her penultimate start. She didn't offer much at the business end when again placed at Uttoxeter next time, though, and others make more appeal for win purposes.

**4 KILLYBEGS JET LADY (IRE) (34) 97**  
 9P7/3462-2 8 11-10 | 74.4kg  
 Lucinda Russell *Alan Doyle (51lb/2kg)*  
 Irish point winner who has produced her best efforts under Rules the last twice, finishing second in handicaps at Newcastle and Hexham, both at around this trip and on good ground. Likely to be on the premises once again.

**5 MOONSHINE GIRL (IRE) (17) 98**  
 069990-4F 6 11-8 | 73.5kg  
 Paul John Gilligan, Ireland *Danny Gilligan*  
 Made the frame for first time when creditable fourth of 16 in handicap hurdle at Cork last month. Probably would've finished third but for falling 2 out at Southwell (24.3f, good) 10 days later and she has to enter calculations.

**6 NEWMILL GETAWAY (IRE) (30) (BF) 100**  
 25886/53-2 6 11-2 | 70.8kg  
 Fergal O'Brien *Jonathan Burke*  
 Bumper winner who finished third of 11 upped to 26.4f at Stratford on final run for David Brace last May. Failed to justify strong support on return/debut for new yard at Fontwell (19f, good) last month, but it was a creditable effort nonetheless and she will appreciate this step back up in trip.

**7 MY LITTLE TONI (34) 95**  
 756/9-R 7 10-10 | 68.0kg  
 Michael Mullineaux *Charlie Deutsch*  
 Modest winning hurdler for Donald McCain a few years back. No show on comeback run for new yard in Sedgefield handicap hurdle in April and subsequently refused to race at Uttoxeter. Blinkers applied.

**8 LAKE'S AVENTURINE (FR) (26) 97**  
 700FP75-1 6 10-9 | 67.6kg  
 Harriet Dickin *James Best*  
 There was little promise initially in this sphere, but she shaped as though the penny was finally starting to drop when fifth of 13 at Ludlow (21.2f, good) in April. Confirmed that impression by seeing off Clover Pass and 3 others over the same C&D next time and 4 lb rise looks fair.

**9 CLOVER PASS (26) 97**  
 P/057P62-2 8 10-7 | 66.7kg  
 Alastair Ralph *Ciaran Gethings*  
 Has taken steps forward with the hood enlisted on her last 2 starts, finding just one too good in handicaps at Stratford (26.4f, good) and Ludlow (21.2f, good to firm). Shade more needed if she's to get her head in front here, but that's certainly not out of the question.

**10 ON WE GO (IRE) (34) 94**  
 P3/90943-5 12 10-7 | 66.7kg  
 Gillian Boanas *Jamie Hamilton*  
 Veteran who hasn't got her head in front for over 2 years and while her efforts since undergoing a wind op confirm that there is some ability still there, she essentially looks vulnerable.

**11 NOWYOUVEBINANDUNIT (30) 99**  
 324/5827-6 8 10-7 | 66.7kg  
 Neil Mulholland *Richie McLernon*  
 Placed twice in handicaps for Simon Earle in summer 2023 and good second at Stratford (234m, good to soft) on first completed start for this yard in March. Has failed to see things out both starts since, but a reproduction of that Stratford effort would give her a serious chance.

**12 HELLO MARIE (FR) (121) 67**  
 886- 8 10-6 | 66.2kg  
 Warren Greatrex *Harry Bannister*  
 Winner of sole start between the flags, but that was back in February 2022 and she hasn't shown much in a handful of appearances under Rules so far.

**13 DAMEKAP (FR) (127) 99**  
 9007- 6 10-2(9-5) | 64.4kg (59.4kg)  
 Seamus Mullins *Benjamin Macey (71lb/3kg)*  
 Runner-up sole outing in points, but has offered little under Rules to this point and she's 11 lb 'wrong' at the weights for this handicap debut.

13 DECLARED RUNNERS

**BETTING FORECAST:**

**3-1** Newmill Getaway, **13-2** Heather Honey, **7-1** Killybegs Jet Lady, **8-1** Lake's Aventurine, **17-2** Clover Pass, **10-1** Moonshine Girl, **12-1** Nowyouvebinandunit, **16-1** Chatshow Host, **33-1** On We Go, **40-1** bar

**TIMEFORM VIEW:**

NEWMILL GETAWAY wasn't able to vindicate punters' faith on debut for the Fergal O'Brien yard following a year off last month, but she still performed with credit in finishing second to one who had the benefit of a race run under her belt. Stepping back up in trip looks a good move and she is taken to go one better this time, perhaps at the chief expense of Moonshine Girl. Others with reasonable claims include Killybegs Jet Lady and Ludlow 1-2 Lake's Aventurine and Clover Pass.
