1	6	MAXIDENT (37) 236P24-42 5 9-9 61.2kg  Kevin Philippart de Foy Ran well under a typically attacking ride when second of 8 in handicap at this C&D (soft) 37 days ago on final start for Raphael Freire. Should go well again, especially if some rain arrives.	 100 <i>Nicola Currie</i>
2	4	PADESHA (FR) (46) 4363-56 4 9-9 61.2kg  Kevin Philippart de Foy Offered promise as a juvenile but hasn't threatened in two starts this season, the latest on handicap debut with tongue strap on for first time (now removed) when sixth of 9 in handicap at Goodwood (12f, good to firm) 46 days ago on final start for Raphael Freire. Fitting of cheekpieces and stepping back up in distance should see him more competitive.	s 97 <i>Finley Marsh</i>
4	8	KINGDOM OF STARS (FR) (27) 598-4221 4 9-7 60.3kg  Tom Ward Consistent in all-weather handicaps this season, career best when winning 8-runner handicap (9/4) at Kempton (16f) 27 days ago. Lightly-raced and should remain competitive if he can translate that form back onto turf.	96 <i>Alec Voikhansky (3lb/1kg)</i>

BETTING FORECAST:

TIMEFORM VIEW:

MAXIDENT ran well when runner-up over C&D in June and has solid claims of making a winning stable debut, particularly if the ground eases. Road to Wembley should be more competitive for the return to this trip in first time cheekpieces and may prove next best ahead of Mighty Bandit, who has claims if he can recapture the form shown in a higher grade earlier this season, while Kingdom of Stars has been in fine heart on the all-weather and could be a danger if translating his form to turf.

TIMEFORM VIEW:
CONJECTURE has improved with each start and clocked some good sectional times when runner-up for the third consecutive race at Thirsk 11 days ago. She can go one better at the expense of Oceans Four who badly needed the experience in a strong Newmarket maiden on debut and could do better in this company, while Titanck looks sure to improve from his respectable debut effort at Ascot. High Esteem appeals most of the newcomers and is one to note for support.

3	1	HIGH ESTEEM 2 9-7 60.3kg Archie Watson Al Kazeem colt. Half-brother to 6f winners Rhossili Down and Exuding. Dam, 2-y-o 6f winner, half-sister to useful winner up to 11f Turning Light. Makes appeal on paper and interesting if support comes his way on debut.	<i>Hollie Doyle</i>

5	9	MOGBBEL (IRE) (24) 9 2 9-7 60.3kg Owen Burrows A mix of speed and stamina on breeding and looked green when ninth of 14 in novice at Ascot (7f, firm, 11/1) on debut 24 days ago, slowly away. However that looked a strong maiden (four horses have won next time out) and he may well do better in less taxing company.	83 <i>Joe Leavy</i>
7	3	POMPETTE (FR) 2 9-7 60.3kg Alan King €35,000 yearling, 65,000 gns 2-y-o, New Bay colt. Dam 5f winner. Could be set for a minor role on debut, unless the market suggests otherwise.	<i>Rob Hornby</i>

DANDY G BOY was well-backed to making a winning stable debut on the all-weather 2 weeks ago and has scope to follow up back on turf from this sort of mark. TIMEFORM VIEW:
CHARLIE MASON is 1 lb lower than when successful over this trip at Leicester earlier in the season and will be suited by the step back up in distance having ran creditably over a sharper test at Chepstow 11 days ago. He's preferred to Dark Rosa who shaped as if in good form at Doncaster last month, where held back by an unusually slow start, while On Edge looks worth another chance having been caught in a far from ideal position at Windsor last time.

1	1	HIERARCHY (IRE) (5lb/2kg ex) (8) (D)	b+t	93
		Jamie Osborne	<i>Saffie Osborne</i>	
		Can be slowly away but has generally proved very consistent on the all-weather this year, ending a long losing run when winning at Southwell (6.1f) 8 days ago, the race being run to suit. Races in a similar grade under a penalty but will need things to fall right to follow up back on turf.		
2	8	ON EDGE (26) (D, BF)	s	96
		Christopher Mason	<i>Gina Mangan</i>	
		Promising signs when third in a pair of 6f handicaps earlier in the season and best not judged on most recent run when eighth of 14 in handicap at Newbury (6f, firm) 26 days ago, not ideally placed on the far flank. Was well-backed that day and could well be in the shake up off an unchanged mark.		
3	6	CHARLIE MASON (11) (D)		100
		Tony Carroll	<i>Jack Doughty</i>	
		Won a 6f handicap at Leicester in April off 1 lb lower and wasn't disgraced when respectable third of 6 in handicap at Chepstow (5.1f, good) 11 days ago, lacking the pace to get involved over the shorter trip. One to be interested in returning to 6f.		
4	4	MONSIEUR PATAT (26) (D)		96
		Adrian Wintle	<i>Joe Leavy</i>	
		Back to winning ways at Windsor (6f, good to firm) in May but hasn't helped himself by racing freely on subsequent starts, latest below form seventh of 14 in handicap (8/1) at Newbury (6f, firm) 26 days ago. Could make more of an impact if settling better.		
5	9	PAPABELLA (19) (CD)		96
		Stuart Kittow	<i>Rob Hornby</i>	
		C&D winner isn't the most straightforward but was a 6f winner at Chepstow in June and finished a creditable second of 6 in handicap (6f) on return to that track 19 days ago. Should remain competitive.		
6	2	DARK ROSA (IRE) (12) (D, BF)		98
		Mark Rimell	<i>David Egan</i>	
		Back on track in first time tongue strap when third on penultimate start and shaped as if still in good form when fifth of 10 in handicap at Doncaster (6f, good to firm) 12 days ago, hindered by a slow start. Should give a good account if getting away on terms.		
7	3	SPIRIT LEAD ME (IRE) (18)	h	93
		Richard Hughes	<i>Finley Marsh</i>	
		Dual all-weather winner failed to build on promise of previous run when last of 10 in handicap at Newbury (8f, good to firm, 20/1) 18 days ago, connections blaming conditions. Remains to be seen if the return to sprinting and slightly easier ground prompts a better performance.		
8	5	STARPROOF (IRE) (10) (CD)		96
		William Muir & Chris Grassick	<i>Lewis Edmunds</i>	
		C&D winner. Fourteen runs since last win in 2023 and seems to be going through the motions at present 15/2, seventh of 8 in handicap at Windsor (6f, good to firm) 10 days ago.		
9	7	PUNCHBOWL FLYER (IRE) (13) (D)	b	94
		John O'Shea	<i>Georgia Dobie</i>	
		Thirty runs since last win in 2021 but unable to build on promising soft ground reappearance when 5/1, last of 5 in handicap at Doncaster (6f, good) 13 days ago. Looks to have a bit to find.

Sent off favourite on debut for current connections following 9 months off when third at Chepstow (10f, good to soft) 19 days ago. No surprise to see her closer to form here.	99	
5	6	CHANGE OF FORTUNE (5) (C) 9-0742144 6 9-6 59.9kg  Bernard Llewellyn <i>Elizabeth Gale (5lb/2kg)</i> Best effort of season to shed maiden status when winning at this track (1m, soft) in June but hasn't been in same form since, fourth of 8 in handicap at Nottingham (10.2f, soft, 11/2) 5 days ago. Still on a fair mark if he can bounce back.	100	★

Should remain competitive.	97	h
7	3	RESILIENT LADY (141) 90-54 3 9-2 58.1kg  Gary Brown <i>Millie Wonnacott (5lb/2kg)</i> Cheap purchase out of the Richard Hannon yard and hinted there could be more to come on debut for this yard when fourth over 12f on the all-weather. Offered little on hurdles bow since and remains to be seen if she can build on previous promise dropping back in trip. Engaged 8.28 Windsor Monday.	92	
8	7	THREE ON THURSDAY (IRE) (25) 8-53343 3 9-1 57.6kg  Tony Carroll <i>Jack Doughty</i> Has been running creditably in handicaps. 15/2, third of 5 in a slowly-run handicap at Chepstow (12f, good to firm) 25 days ago. Has the form to be in the mix back down in trip.	97	
9	1	TYPEFACE (6lb/3kg ex) (7) (C) 9781 3 8-9 54.9kg  Ian Williams <i>Callum Hutchinson</i> Hadn't looked the most straightforward prior to proving a different proposition with tongue strap on first time, winning a classified stakes at this course (8f, good to soft) 7 days ago.
