RACE 1

V2 RADIO NOVICES' HURDLE (4) 4yo+ £7,700 2m3f29y (3850 Metres)

Going: **Good (Good to Soft in places)**

Left handed, sharp; the chase course is a figure of eight circuit, whilst the hurdles track is oval. The fences are easy but, given the nature of the track, course specialists abound. On the chase course, the lead rarely changes hands on the run in but often looks as though it might. The paddock exit is situated halfway up the run-in on the hurdles course and can lead to horses idling/ducking out on seeing it. Flights on the hurdles course differ in terms of their location, from inner to outer, though those who race wide on testing going are at an advantage regardless of the layout. As of August 2017, a 330-yard stretch of turf on the shared home turn was replaced by fibresand.

Pace Information: **Very Weak**

7 DECLARED RUNNERS

BETTING FORECAST:

evens Market House, 4-1 Justice Roll, 11-1 Marley Head, 12-1 Berkshire Lad, 14-1 Meraki Mist, 16-1 Of Corse I Can, 18-1 Banny Hill Lass

TIMEFORM VIEW:

A 3-time winner on the Flat for present connections, MARKET HOUSE highlighted his turn in this sphere is imminent when just touched off at Market Rasen 8 days ago and he comfortably rates the most solid option from the same mark now partnered by Sean Bowen. Justice Roll, now handicapping/back from a break, could well emerge as the chief danger representing Gary & Josh Moore.

TIMEFORM 1-2-3:

1. MARKET HOUSE 2. JUSTICE ROLL 3. BERKSHIRE LAD

RACE 6

BET CLEVER BETGOODWIN HANDICAP HURDLE (5) 4yo+  
(Rated 0-105) £6,150 2m5f164y (4370 Metres)

Going: **Good (Good to Soft in places)**

Left handed, sharp; the chase course is a figure of eight circuit, whilst the hurdles track is oval. The fences are easy but, given the nature of the track, course specialists abound. On the chase course, the lead rarely changes hands on the run in but often looks as though it might. The paddock exit is situated halfway up the run-in on the hurdles course and can lead to horses idling/ducking out on seeing it. Flights on the hurdles course differ in terms of their location, from inner to outer, though those who race wide on testing going are at an advantage regardless of the layout. As of August 2017, a 330-yard stretch of turf on the shared home turn was replaced by fibresand.

Pace Information: **Very Weak**

BETTING FORECAST:

11-4 Broomfield Gale, 11-4 Trevor's Lad, 4-1 Coup De Gold, 11-2 Getoverthathill, 7-1 Blue In The West, 40-1 bar

TIMEFORM VIEW:

There have to be doubts about how long BROOMFIELD GALE will continue to hold it together but she's the one to beat on recent exploits. Trevor's Lad went very close over a longer trip here last time and is second choice ahead of Coup de Gold.
